

Hunting Day Pack - Agility Hunting Alum Stay Day Pack

[Shooting Accessories](#) > [Range Gear](#) > [Range Bags](#)

Bridging the gap between an ideal mobile western day pack & the perfect whitetail pack, the BOG Agility Stay Day Pack features 2900 cubic inches of capacity, at an overall weight just under 3.5 lbs. That's up to 25% more capacity for the same weight as the competition. The sturdy, yet lightweight, aluminum frame complements a durable 420D micro-ripstop material, YKK zippers & lightweight heavy-duty buckles, making this one of the toughest, yet lightest packs on the market. Featuring a micro-ripstop rain cover & gun/bow boot as standard, the Agility doesn't compromise on quality, features, or value.

Safety Instruction Guide for BOG Agility Stay Day Pack

Introduction

Thank you for choosing the BOG Agility Stay Day Pack. This product has been designed with your safety and convenience in mind. This guide provides essential safety instructions and usage guidelines to ensure you can enjoy your pack safely and effectively.

General Safety Guidelines

- Ensure the pack is suitable for your intended use and meets your needs.
- Regularly check for wear and tear to maintain safety and functionality.
- Avoid overloading the pack beyond its capacity (2900 cubic inches).
- Keep the pack away from sharp objects and extreme heat sources.
- Always ensure that zippers and buckles are securely fastened before use.
- Store the pack in a dry place to prevent mold and deterioration.

Specific Safety Precautions for Use

- **Weight Limit:** Do not exceed the weight limit of 3.5 lbs for optimal performance and safety.
- **Children:** This product is not intended for use by children without adult supervision. Ensure that children do not play with or use the pack unsupervised.
- **Weather Conditions:** While the pack is equipped with a microripstop rain cover, avoid prolonged exposure to heavy rain or extreme weather conditions to maintain the integrity of the materials.
- **Carrying:** Use both shoulder straps to distribute weight evenly and reduce strain on your back and shoulders.
- **Gun/Bow Boot:** Ensure that the gun/bow boot is correctly secured when transporting equipment to prevent accidents.

Instructions for Installation and Usage

1. Adjusting Straps:

- Loosen all straps before putting on the pack.
- Place the pack on your back and adjust the shoulder straps for a snug fit.
- Tighten the hip belt for added support and stability.

2. Loading the Pack:

- Organize your gear by weight, placing heavier items closer to your back for better balance.
- Ensure all items are securely packed and do not protrude from the pack.

3. Using the Rain Cover:

- Unfold the microripstop rain cover and place it over the pack when needed.
- Ensure the cover is securely fastened to prevent water from entering the pack.

4. Transporting Firearms or Bows:

- Always ensure that firearms are unloaded and secured in the gun/bow boot.
- Check local laws and regulations regarding the transportation of firearms and bows.

5. Cleaning and Maintenance:

- Wipe the pack with a damp cloth to remove dirt and debris.
- Allow the pack to air dry completely before storing it to prevent moisture buildup.

Disposal Instructions

- When the pack reaches the end of its life, dispose of it responsibly.
- Check local regulations for proper disposal of textile products.
- Consider recycling the materials if possible.

Contact Information for Further Support

For any safety inquiries or support regarding the BOG Agility Stay Day Pack, please refer to the official contact points provided with your purchase.

Conclusion

By following these safety guidelines, you can enjoy the BOG Agility Stay Day Pack while ensuring your safety and the longevity of the product. Remember to stay informed about any product recalls or safety alerts through the EU Safety Gate platform. Your safety is our priority. Thank you for choosing BOG.
