

# Inception Backpack Frame L/XL

[Shooting Accessories](#) > [Range Gear](#) > [Range Bags](#)

The Inception Backpack Frame is the foundation of the BOG western pack system. Featuring 420D micro-ripstop material, a carbon fiber frame, pliable meat shelf, YKK zippers, & 150 lb rated buckles, the Inception weighs in at a mere 2 lbs 11 oz. The quick-buckle system allows for easy attachment of BOG Helix Frame Bags to complete your favorite out-west hunting pack. A padded hip belt (with gear pockets), adjustable sternum strap, & load lifters ensure your load is secure & properly adjusted to you for long, comfortable, & successful hikes in & off the mountain. Pack in Confidence, Haul out Memories.

# Inception Backpack Frame Safety Instruction Guide

## Introduction

Thank you for choosing the Inception Backpack Frame. This guide provides important safety information to ensure your safe and enjoyable use of this product. Please read through this guide carefully before using the backpack frame.

## General Safety Guidelines

- Ensure that the Inception Backpack Frame is used only for its intended purpose as a support frame for carrying gear during outdoor activities.
- Regularly inspect the backpack frame for any signs of wear or damage before each use. Do not use if any components are damaged.
- Keep the backpack frame away from sharp objects and extreme heat to prevent damage to materials.
- Store the backpack frame in a dry place when not in use to avoid mold and mildew.

## Specific Safety Precautions for Use

- Always adjust the hip belt and sternum strap to ensure a secure fit before loading the backpack frame.
- Do not exceed the weight limit of 150 lbs for the buckles. Overloading may cause failure and lead to accidents.
- Ensure that all zippers are fully closed before hiking to prevent items from falling out.
- When hiking on uneven terrain, maintain a steady pace and be aware of your surroundings to prevent falls or injuries.

## Instructions for Installation and Usage

### 1. Assembly:

- Unpack the Inception Backpack Frame and lay out all components.
- Attach the hip belt by threading it through the designated loops on the frame.
- Secure the sternum strap at the desired height for comfort.

### 2. Loading the Frame:

- Place gear evenly on the meat shelf and secure using the provided straps.
- Ensure that heavier items are placed closer to your back for better balance.
- Use the quickbuckle system to attach BOG Helix Frame Bags securely.

### 3. Adjusting Fit:

- Adjust the hip belt to fit snugly around your waist.
- Adjust the sternum strap to ensure it is comfortable and does not restrict breathing.
- Use load lifters to adjust the angle of the frame for optimal weight distribution.

### 4. Usage:

- When wearing the backpack frame, maintain good posture by keeping your back straight.
- Take regular breaks to adjust your load and rest your muscles during long hikes.

## **Disposal Instructions**

- Dispose of the Inception Backpack Frame responsibly.
- If the product is no longer usable, consider recycling materials where possible.
- Follow local regulations for disposing of plastic and metal components.

## **Contact Information for Further Support**

For safety inquiries or product support, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for following these safety instructions. Enjoy your outdoor adventures with the Inception Backpack Frame!
