

# Inception Backpack Frame S/M

[Shooting Accessories](#) > [Range Gear](#) > [Range Bags](#)

The Inception Backpack Frame is the foundation of the BOG western pack system. Featuring 420D micro-ripstop material, a carbon fiber frame, pliable meat shelf, YKK zippers, & 150 lb rated buckles, the Inception weighs in at a mere 2 lbs 11 oz. The quick-buckle system allows for easy attachment of BOG Helix Frame Bags to complete your favorite out-west hunting pack. A padded hip belt (with gear pockets), adjustable sternum strap, & load lifters ensure your load is secure & properly adjusted to you for long, comfortable, & successful hikes in & off the mountain. Pack in Confidence, Haul out Memories.

# Inception Backpack Frame Safety Instruction Guide

## Introduction

Thank you for choosing the Inception Backpack Frame. This product is designed to enhance your outdoor experience while ensuring your safety. Please read this safety instruction guide carefully to understand how to use and maintain your backpack frame safely.

## General Safety Guidelines

- Ensure the backpack frame is suitable for your size and weight capacity.
- Regularly inspect the backpack frame for any signs of wear or damage.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep the backpack frame out of reach of children when not in use.
- Use the backpack frame only for its intended purpose as described in this guide.

## Specific Safety Precautions for Use

- **Weight Limit:** Do not exceed the 150 lb rated buckles capacity.
- **Load Distribution:** Ensure that the load is evenly distributed to maintain balance and prevent injury.
- **Padded Hip Belt:** Adjust the padded hip belt securely to avoid slipping during use.
- **Sternum Strap:** Use the adjustable sternum strap to stabilize the load on your torso.
- **QuickBuckle System:** Ensure that all buckles are securely fastened before use.
- **Environmental Awareness:** Be cautious of your surroundings when hiking, especially in rugged terrain.

## Instructions for Installation and Usage

### 1. Assembly:

- Remove the Inception Backpack Frame from the packaging.
- Ensure all components are present and undamaged.
- Attach the Helix Frame Bags using the quickbuckle system, ensuring a secure fit.

### 2. Adjusting the Frame:

- Put on the backpack frame and adjust the padded hip belt to fit snugly around your hips.
- Adjust the sternum strap for comfortable support across your chest.
- Use the load lifters to adjust the angle of the frame for optimal load distribution.

### 3. Loading the Backpack Frame:

- Place heavier items at the bottom and lighter items on top to maintain balance.
- Ensure that all items are securely packed and do not exceed the weight limit.

### 4. Using the Backpack Frame:

- When hiking, maintain a steady pace and avoid sudden movements.
- Take regular breaks to adjust the load and check for comfort.

## Disposal Instructions

When the Inception Backpack Frame reaches the end of its life, please dispose of it responsibly: \* Separate any

fabric components from plastic parts for recycling. \* Follow local regulations for the disposal of outdoor equipment. \* Do not burn or incinerate the backpack frame.

## **Contact Information for Further Support**

For safety inquiries, product support, or to report any unsafe products or accidents, please refer to the manufacturer's contact information provided with your purchase.

## **Conclusion**

By following these safety guidelines and instructions, you can enjoy your Inception Backpack Frame with confidence. Always prioritize safety and be mindful of your environment while exploring the great outdoors. Thank you for choosing BOG products. Happy hiking!
