

Inception FrmHelix Bivy Bag - Inception M/L FrmHelix 6000 Bivy Bag

[Shooting Accessories](#) > [Range Gear](#) > [Range Bags](#)

The Inception + Helix 600 combo is a premium, lightweight system designed for day packing out west and spike camp hunts. Weighing in at under 5-1/2 lbs., this system starts with the Inception carbon fiber frame and utilizes a quick-connect buckle system to attach the Helix 6000 frame bag. This interchangeability allows for use as a complete system or the capability to use the Inception as a standalone meat hauler. The durable 420D micro-ripstop shell is water-repellent, puncture-resistant, and rip-proof and designed to be the perfect combo of stealth and durability. Utilizing YKK zippers and 150 lb. rated lightweight, heavy-duty buckles, this backpack system is built to withstand years of use and abuse. Designed with 4 sets of compression straps and 2 rows of Hypalon-reinforced cinched MOLLE, this bag is designed to carry all your essential clothing and gear. It even features 4 carry options for the DeathGrip tripod! The Helix 6000 features bottom-of-bag access for gear that has made its way down as you trek in. Included with the Helix 6000 is a removable 150D micro-ripstop rain cover, and a detachable gun/bow/DeathGrip carry boot. All the capacity you need, all the included options you can imagine, all the value you expect from BOG.

Inception FrmHelix Bivy Bag Safety Instructions

Introduction

Thank you for choosing the Inception FrmHelix Bivy Bag. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document thoroughly before use and keep it for future reference.

General Safety Guidelines

- Always inspect the bag for any damage or defects before use.
- Ensure that all buckles and straps are securely fastened before carrying.
- Do not exceed the weight limit of the bag to prevent damage or injury.
- Store the bag in a cool, dry place when not in use to prolong its lifespan.
- Keep the bag away from sharp objects that may cause punctures or tears.
- Be cautious in wet conditions; while the bag is waterrepellent, it is not waterproof.
- Use the bag only for its intended purpose; do not use it for carrying hazardous materials.
- Always follow local regulations regarding outdoor equipment and safety.

Specific Safety Precautions for Use

- **Weight Limit:** Do not exceed the recommended weight limit of 150 lbs. for safe carrying.
- **Children:** This product is not intended for use by children under the age of 12 without adult supervision.
- **Weather Conditions:** Avoid using the bag in extreme weather conditions without proper preparation.
- **Equipment Compatibility:** Ensure that any additional accessories or equipment used with the bag are compatible and securely attached.
- **Emergency Situations:** Always carry a basic first aid kit and emergency supplies when using the bag in remote areas.

Instructions for Installation and Usage

1. Assembly:

- Unpack the Inception FrmHelix Bivy Bag and ensure all components are present.
- Attach the Helix 6000 frame bag to the Inception carbon fiber frame using the quickconnect buckle system.

2. Adjusting Straps:

- Adjust the shoulder straps and waist belt for a comfortable fit.
- Ensure that the compression straps are tightened to secure your load.

3. Loading the Bag:

- Distribute weight evenly within the bag to maintain balance.
- Use the bottomofbag access for gear that may settle during transport.

4. Using the Rain Cover:

- In wet conditions, attach the removable 150D microripstop rain cover over the bag for added protection.

5. Carrying Options:

- Utilize the 4 carry options for the DeathGrip tripod as needed.

6. Maintenance:

- Clean the bag with a damp cloth and mild soap if necessary. Do not machine wash or dry the bag.

Disposal Instructions

- Dispose of the bag in accordance with local waste disposal regulations.
- If the bag is damaged beyond repair, consider recycling parts that can be recycled, such as buckles and fabric, where applicable.

Contact Information for Further Support

For any questions or concerns regarding the Inception FrmHelix Bivy Bag, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy your outdoor adventures with the Inception FrmHelix Bivy Bag!
