

# Inception FrmHelix Bivy Bag - Inception XL Frm Helix 6000 Bivy Bag

[Shooting Accessories](#) > [Range Gear](#) > [Range Bags](#)

The Inception + Helix 600 combo is a premium, lightweight system designed for day packing out west and spike camp hunts. Weighing in at under 5-1/2 lbs., this system starts with the Inception carbon fiber frame and utilizes a quick-connect buckle system to attach the Helix 6000 frame bag. This interchangeability allows for use as a complete system or the capability to use the Inception as a standalone meat hauler. The durable 420D micro-ristop shell is water-repellent, puncture-resistant, and rip-proof and designed to be the perfect combo of stealth and durability. Utilizing YKK zippers and 150 lb. rated lightweight, heavy-duty buckles, this backpack system is built to withstand years of use and abuse. Designed with 4 sets of compression straps and 2 rows of Hypalon-reinforced cinched MOLLE, this bag is designed to carry all your essential clothing and gear. It even features 4 carry options for the DeathGrip tripod! The Helix 6000 features bottom-of-bag access for gear that has made its way down as you trek in. Included with the Helix 6000 is a removable 150D micro-ristop rain cover, and a detachable gun/bow/DeathGrip carry boot. All the capacity you need, all the included options you can imagine, all the value you expect from BOG.

# Inception FrmHelix Bivy Bag Safety Instructions

## Introduction

Thank you for choosing the Inception FrmHelix Bivy Bag. This product is designed to provide a lightweight and durable solution for your outdoor adventures. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a bivy bag and backpack system.
- Regularly inspect the bag for any signs of wear, damage, or malfunction before use.
- Keep the bag away from sharp objects and extreme heat sources to prevent punctures and burns.
- Store the bag in a cool, dry place when not in use to maintain its integrity.
- Be cautious when carrying heavy loads to avoid strain or injury.
- Always secure your gear properly to prevent it from shifting during transport.

## Specific Safety Precautions for Use

- **Weight Limit:** Do not exceed the recommended weight limit of the bag to prevent structural failure.
- **Compression Straps:** Use the compression straps correctly to ensure stability and balance while carrying.
- **Zippers and Buckles:** Ensure that zippers and buckles are fully engaged before use to prevent accidental openings.
- **Rain Cover:** Use the rain cover in wet conditions to protect your gear from moisture.
- **Carrying Options:** Follow instructions for the four carry options for the DeathGrip tripod to ensure secure handling.
- **Children and Vulnerable Groups:** This product is not intended for use by children without adult supervision. Ensure that it is kept out of reach of young children.

## Instructions for Installation and Usage

### 1. Assembling the System:

- Attach the Helix 6000 frame bag to the Inception carbon fiber frame using the quickconnect buckle system.
- Ensure that all connections are secure before use.

### 2. Loading the Bag:

- Organize your gear evenly within the bag to maintain balance.
- Use the bottomofbag access feature to retrieve items without disturbing the rest of your gear.

### 3. Adjusting Straps:

- Adjust the shoulder straps and hip belt to fit snugly but comfortably.
- Make sure that the compression straps are tightened to secure the load.

### 4. Using the Rain Cover:

- When expecting rain, remove the rain cover from its storage pocket and place it over the bag.
- Ensure that the cover is securely fastened to prevent water from entering.

### 5. Carrying the Bag:

- Use the designated carry options for the tripod to ensure safe transport.
- Always maintain a good posture while carrying to avoid strain.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Avoid discarding the product in regular waste to minimize environmental impact.

## Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe conditions, please refer to the relevant authorities or your point of purchase. Always check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Inception FrmHelix Bivy Bag. Thank you for your attention to safety and for choosing our product. Happy adventuring!
