

Claymore Clay Target Thrower - Claymore Pullpup Clay Target Thrower

[Shooting Accessories](#) > [Targets & Accessories](#) > [Throwers](#)

The Caldwell Claymore PullPup brings the power of a traditional clay target thrower and packs it into a compact handheld unit. The PullPup can launch standard, midi, and mini clay targets over 55 yards; right on par with larger standard clay throwers. Dual grip safeties ensure that both hands are properly placed out of the path of the target and arm when released. With its handheld design, the thrower can easily change the angle of the target at will, allowing shooters to practice different angles and test their skills. A clip on the arm holds the target in place allowing the PullPup to launch targets off-camber, for both traditional angles and on-edge target presentations. An open-front design allows for quick and easy clearing of any targets that may break while throwing without taking the thrower apart in the field. The Caldwell Claymore PullPup will bring another level of fun to your range trips for both the trapper and the shooters.

Safety Instructions for Caldwell Claymore PullPup Clay Target Thrower

Introduction

Thank you for choosing the Caldwell Claymore PullPup Clay Target Thrower. This manual provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this guide carefully before using the thrower to ensure a safe and enjoyable experience.

General Safety Guidelines

- Always handle the Claymore PullPup with care and respect.
- Ensure that all users are familiar with the safety instructions and operational procedures.
- Use the thrower only in designated shooting areas that are safe and legal.
- Always wear appropriate eye and ear protection when using the thrower.
- Keep bystanders at a safe distance from the throwing area.
- Regularly inspect the thrower for any signs of damage or wear before use.
- Do not modify the thrower in any way, as this may compromise safety.

Specific Safety Precautions for Use

- Ensure both hands are properly placed on the grip safeties before releasing the target.
- Always check the area behind the target path to ensure it is clear of people and obstacles.
- Do not use the thrower in windy conditions, as this may affect the trajectory of the targets.
- Only use standard, midi, or mini clay targets as specified by the manufacturer.
- Do not attempt to retrieve broken targets until the area is declared safe and clear of any remaining hazards.
- Avoid using the thrower in wet or slippery conditions to prevent accidents.

Instructions for Installation and Usage

1. Setup:

- Place the thrower on a stable and level surface.
- Ensure that the arm is properly secured and that all components are in good condition before use.

2. Loading Targets:

- Clip the clay target onto the arm securely.
- Ensure the target is held firmly in place before proceeding.

3. Adjusting Angle:

- Use the handheld design to adjust the angle of the throw as needed for practice.
- Test different angles to enhance shooting skills safely.

4. Launching Targets:

- With both hands on the grip safeties, pull the trigger to launch the target.
- Be aware of your surroundings and ensure that the area is clear.

5. Clearing Broken Targets:

- If a target breaks during launch, immediately stop using the thrower.

- Clear broken pieces only after confirming that the area is safe.

Disposal Instructions

- Dispose of the Claymore PullPup in accordance with local regulations regarding electronic waste and nonbiodegradable materials.
- Ensure that all components are disposed of responsibly to minimize environmental impact.

Contact Information for Further Support

For safety inquiries or assistance, please refer to the manufacturer's website or contact the designated customer support service.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Caldwell Claymore PullPup Clay Target Thrower. Always prioritize safety and be aware of your surroundings while using the product. Thank you for your attention to these important guidelines.
