# Safety Instruction Guide for Bullet Feeder Conversion X10 .40S&W Bullet Feeder Conversion Kit

## Introduction

Thank you for choosing the Bullet Feeder Conversion X10 .40S&W Bullet Feeder Conversion Kit. This guide provides essential safety instructions to ensure your safe and effective use of this product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses, when operating reloading equipment.
- Regularly inspect the equipment for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition and reloading practices.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended caliber specifications for the Bullet Feeder Conversion Kit.
- Ensure that the X10 Bullet Feeder Collator is securely connected to the X10 Progressive Reloading Press before operation.
- Avoid placing hands or any body parts near moving parts during operation.
- Do not attempt to modify or repair the Bullet Feeder Conversion Kit unless instructed by a qualified technician.
- Always keep the work area clean and free from clutter to prevent accidents.
- Store the kit in a cool, dry place when not in use to prevent deterioration.

## Instructions for Installation and Usage

### 1. Unboxing and Inspection

- Carefully unpack the Bullet Feeder Conversion Kit.
- Inspect all components for any damage or missing parts.

### 2. Installation Steps

- Ensure the X10 Progressive Reloading Press is turned off and unplugged.
- Attach the caliber-specific bullet collator plate to the Bullet Feeder Collator.
- Connect the bullet feed and shuttle assembly to the X10 Tool Head.
- Install the micrometer adjustable seating die according to the manufacturer's instructions.
- Once all components are securely attached, plug in the reloading press and power it on.

### 3. Usage Instructions

- Load the appropriate caliber bullets into the collator plate.
- Adjust the micrometer seating die to the desired depth for bullet seating.
- Start the reloading press and monitor the feeding and seating process.
- Stop the operation immediately if any unusual noises or malfunctions occur.

#### **4. PostUse Care**

- Turn off and unplug the reloading press after use.
- Clean the Bullet Feeder Conversion Kit to remove any residue or debris.
- Store the kit properly to ensure its longevity.

### **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product is no longer usable, follow local guidelines for the disposal of electronic and mechanical components.
- Do not dispose of the product in regular household waste.

### **Contact Information for Further Support**

For any questions or concerns regarding the Bullet Feeder Conversion Kit, please refer to the manufacturer's website or contact their support team directly.

Thank you for your attention to these safety instructions. Your safety is our priority.
