# Safety Instruction Guide for Primer Tube Kit X10 Large Primer Tube Kit (3pk)

## Introduction

Thank you for choosing the Primer Tube Kit X10 Large Primer Tube Kit (3pk). This product is designed to enhance your reloading experience by allowing you to load up to 300 additional primers ahead of your reloading sessions. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the Primer Tube Kit is used in accordance with the manufacturer's instructions.
- Always handle primers and reloading components with care to avoid accidental ignition.
- Keep the product out of reach of children and vulnerable individuals.
- Store the Primer Tube Kit in a cool, dry place away from direct sunlight and heat sources.
- Regularly check the product for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling primers.
- Avoid using the Primer Tube Kit in wet or damp conditions to prevent corrosion.
- Do not exceed the manufacturer's recommended load limits for primers.
- Ensure that the Primer Tube Kit is compatible with your specific progressive press before use.
- Never attempt to modify the Primer Tube Kit or use it for unintended purposes.

## Instructions for Installation and Usage

### 1. Preparation

- Inspect the Primer Tube Kit for any visible damage.
- Ensure that all components are present and accounted for.

### 2. Loading Primers

- Carefully open the Primer Tube Kit and remove the tubes.
- Load primers into the tubes, ensuring they are seated properly.
- Close the tubes securely to prevent accidental spillage.

### 3. Installation on Progressive Press

- Refer to your progressive press's manual for specific installation instructions.
- Attach the loaded Primer Tube Kit to the press according to the manufacturer's guidelines.
- Ensure that the tubes are aligned correctly to avoid jams during operation.

### 4. Usage

- Operate the progressive press according to its instructions while monitoring the Primer Tube Kit for any issues.
- If a jam occurs, stop using the press immediately and clear the jam before continuing.

### 5. PostUse Care

- After use, clean the Primer Tube Kit and store it in a safe location.

- Regularly check for wear and tear, and replace any damaged components as necessary.

## Disposal Instructions

- Dispose of any unused or expired primers and components in accordance with local regulations.
- Do not dispose of primers in regular household waste. Consult local authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or further support regarding the Primer Tube Kit X10, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Primer Tube Kit X10. Thank you for your attention to safety and compliance with EU General Product Safety Regulations.
