X10 Powder Measure Relocation Kit Safety Instruction Guide

Introduction

Thank you for choosing the Frankford Arsenal X10 Powder Measure Relocation Kit. This product is designed to enhance your reloading experience with safety and reliability in mind. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with the product.

General Safety Guidelines

- Ensure that all users read and understand these safety instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe product conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the reloading equipment.
- Ensure that your workspace is clean, dry, and well-lit to avoid accidents.
- Do not overload the powder measure beyond its specified capacity.
- Avoid using the product in environments with flammable materials or where sparks may occur.
- Follow all local laws and regulations regarding the use of reloading equipment.

Instructions for Installation and Usage

1. Installation:

- Carefully unpack the X10 Powder Measure Relocation Kit and ensure all parts are included.
- Identify a suitable location on your reloading press for installation.
- Use the provided mounting hardware to securely attach the powder measure to your press.
- Ensure that all screws and bolts are tightened securely to prevent movement during use.

2. Usage:

- Before adding powder, ensure the measure is clean and free from any debris.
- Set the desired charge weight according to your reloading specifications.
- Gradually fill the powder measure with the appropriate powder type, avoiding spills.
- Dispense the powder into your casing, ensuring that no powder is spilled outside the casing.
- After use, store the powder measure in a safe location away from children and pets.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and mechanical waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling components where possible.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Frankford Arsenal X10 Powder Measure

Relocation Kit, please refer to the manufacturer's contact information provided in the product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your X10 Powder Measure Relocation Kit. Thank you for your attention to safety and for choosing Frankford Arsenal products.
