

X-10 Replacement Parts - X-10 Large Base Locator Button Kit

[Reloading](#) > [Reloading Presses](#)

For shooters that demand the utmost in performance and accuracy there is no substitute for producing your own ammunition. The Frankford Arsenal X-10 Small Swage-Prime Pin Assembly contains a small swage and prime pin, which are crucial parts of the X-10. Having an extra set on hand prevents downtime and provides peace of mind should the factory-installed units wear or get damaged.

Safety Instruction Guide for X10 Replacement Parts X10 Large Base Locator Button Kit

Introduction

Thank you for choosing the X10 Replacement Parts X10 Large Base Locator Button Kit by Frankford Arsenal. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and understand all information before using the kit.

General Safety Guidelines

- Ensure that all components are used according to the manufacturer's instructions.
- Always inspect the product before use for any signs of damage or wear.
- Store the kit in a cool, dry place away from direct sunlight.
- Keep the product out of reach of children and pets.
- Use personal protective equipment (PPE) such as gloves and safety goggles when handling components.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When replacing parts, ensure that the device is powered off and disconnected from any power source.
- Do not attempt to modify or alter any components of the kit.
- Use only the replacement parts specified by the manufacturer to ensure compatibility and safety.
- Avoid contact with sharp edges or moving parts during installation and usage.
- If you experience any discomfort or unusual reactions while using the kit, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools required for installation.
- Ensure you have a clean, welllit workspace.

2. Installation Steps

- Carefully unpack the X10 Large Base Locator Button Kit.
- Identify and organize all components, including the replacement parts.
- Follow these steps for installation:
 1. Remove the existing locator button from your equipment.
 2. Align the new locator button with the designated slot.
 3. Secure the button in place according to the manufacturer's instructions.
 4. Ensure all connections are tight and that there are no loose parts.

3. Usage Instructions

- Once installed, test the locator button to ensure proper functionality.
- Follow any specific operational guidelines provided with your equipment.
- Monitor the performance of the locator button during use and check for any signs of malfunction.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the X10 Replacement Parts X10 Large Base Locator Button Kit, please refer to the manufacturer's website or contact their customer service for assistance.

By adhering to these safety instructions, you can ensure a safe and effective experience with your X10 Replacement Parts X10 Large Base Locator Button Kit. Thank you for prioritizing safety while enjoying your reloading activities.
