FA Essentials Reloading Kit Replacement Powder Reservoir CP Safety Instruction Guide

Introduction

Thank you for choosing the Frankford Arsenal Powder Measure Replacement Powder Reservoir. This product is designed to enhance your reloading experience by providing a reliable and durable solution for measuring powder charges. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the powder reservoir with care to prevent spills and accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the reservoir for any signs of damage or wear before use.
- Follow all local regulations and guidelines for the handling and storage of reloading materials.
- In the event of an accident or injury, seek medical assistance immediately.

Specific Safety Precautions for Use

- Always use the powder reservoir in a wellventilated area to avoid inhaling any powder particles.
- Do not use the reservoir if it appears cracked or damaged.
- Ensure that the syringe (not included) used in conjunction with the reservoir is clean and free from contaminants.
- Avoid overfilling the reservoir to prevent spills and ensure accurate measurements.
- Store the powder reservoir in a cool, dry place away from direct sunlight and heat sources.
- Be cautious when metering powder charges; use appropriate protective gear, such as safety glasses and gloves.

Instructions for Installation and Usage

1. Installation of the Powder Reservoir:

- Remove the old powder reservoir from the powder measure.
- Align the new Frankford Arsenal Powder Measure Replacement Powder Reservoir with the attachment point on the powder measure.
- Securely attach the reservoir, ensuring it is firmly in place.

2. Using the Powder Reservoir:

- Prepare a clean syringe for use with the powder reservoir.
- Fill the reservoir with the desired powder charge, ensuring not to exceed the maximum fill line.
- Use the syringe to draw the powder from the reservoir for accurate measurement.
- Carefully dispense the powder charge into your reloading setup.

3. PostUsage Care:

- After use, clean the reservoir and syringe thoroughly to prevent contamination.
- Store the reservoir in a safe location, ensuring it is protected from damage.

Disposal Instructions

- Dispose of any unused powder in accordance with local regulations regarding hazardous materials.
- Recycle the powder reservoir if possible, following local recycling guidelines.
- Do not dispose of the product in household waste unless permitted by local regulations.

Contact Information for Further Support

For safety inquiries or further assistance, please contact the manufacturer or refer to the product packaging for information on how to reach customer support.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your reloading experience with the Frankford Arsenal Powder Measure Replacement Powder Reservoir.
