

# Benchtop Screwdriver Set - 10 Piece SAE Hex Benchtop Screwdriver Set

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Gunsmithing Tool Kits](#)

Experience unmatched convenience and organization in your workspace with the Wheeler 10 Piece SAE Hex Benchtop Screwdriver Set. Engineered to be an all-in-one tool assortment for common SAE Hex fasteners, this 10-piece driver set ranges from 3/32" to 3/8", guaranteeing that you're equipped with the right tools for every task. Features include color-coded handles and markings offering quick identification of each screwdriver type and size, ensuring you spend less time searching for the right tool. Textured, rubber over-molded handles fit comfortably in the hand, increasing grip while reducing hand strain. The black phosphate-coated shafts protect against rust and corrosion, giving you peace of mind that your tools will be long-lasting and look great on your bench for years to come. The sturdy benchtop stand ensures that your tools stay organized, preventing tool loss and time spent looking for misplaced tools. The versatile stand not only keeps the tools organized but also attaches to Wheeler's other Benchtop Screwdriver Sets, allowing you to build the ultimate collection of benchtop tools.

# Benchtop Screwdriver Set 10 Piece SAE Hex

## Safety Instructions

### Introduction

Thank you for choosing the Wheeler 10 Piece SAE Hex Benchtop Screwdriver Set. This guide provides essential safety instructions to ensure safe and effective use of your screwdriver set. Please read this document carefully before using the product.

### General Safety Guidelines

- Always use the screwdriver set for its intended purpose.
- Inspect the tools before each use for any signs of damage or wear.
- Keep the tools out of reach of children and unauthorized users.
- Store the screwdriver set in a dry place to prevent rust and corrosion.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the tools.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for updates on product recalls through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Ensure that the screwdriver you select fits the fastener snugly to avoid slipping and potential injury.
- Do not use damaged or wornout screwdrivers; replace them immediately.
- Avoid using excessive force when driving screws to prevent stripping the screw head or damaging the tool.
- Do not use the screwdrivers for prying or as levers, as this can lead to tool failure and injury.
- Keep your hands and fingers clear of the tool's path when using it.
- Do not modify the screwdrivers in any way, as this can compromise their safety and effectiveness.

### Instructions for Installation and Usage

#### 1. Selecting the Right Screwdriver:

- Identify the size of the fastener you are working with.
- Choose the corresponding screwdriver from the set, ensuring it matches the size and type of the fastener.

#### 2. Using the Screwdriver:

- Hold the screwdriver by the handle, ensuring a firm grip.
- Align the screwdriver tip with the fastener head.
- Apply steady pressure while turning the screwdriver in the appropriate direction (clockwise to tighten, counterclockwise to loosen).
- If resistance is met, stop and reassess to avoid damaging the fastener or the tool.

#### 3. After Use:

- Clean the screwdrivers to remove any debris or residue.
- Return the screwdrivers to their designated spots in the benchtop stand for safe storage.
- Ensure the stand is stable and placed on a flat surface to avoid tipping.

## **Disposal Instructions**

- Do not dispose of the screwdriver set in regular household waste.
- Follow local regulations for the disposal of tools and metal products.
- Consider recycling the materials where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the Wheeler 10 Piece SAE Hex Benchtop Screwdriver Set, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

Thank you for your attention to these safety instructions. Proper use and care will ensure that your screwdriver set remains a reliable tool for all your projects.
