

Benchtop Screwdriver Set - 10 Piece Torx Benchtop Screwdriver Set

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Gunsmithing Tool Kits](#)

Experience unmatched convenience and organization in your workspace with the Wheeler 10 Piece Torx Benchtop Screwdriver Set. Engineered to be an all-in-one tool assortment for common Torx fasteners, this 10-piece driver set ranges from T7-T40, guaranteeing that you're equipped with the right tools for every task. Features include color-coded handles and markings offering quick identification of each screwdriver type and size, ensuring you spend less time searching for the right tool. Textured, rubber over-molded handles fit comfortably in the hand, increasing grip while reducing hand strain. The black phosphate-coated shafts protect against rust and corrosion, giving you peace of mind that your tools will be long-lasting and look great on your bench for years to come. The sturdy benchtop stand ensures that your tools stay organized, preventing tool loss and time spent looking for misplaced tools. The versatile stand not only keeps the tools organized but also attaches to Wheeler's other Benchtop Screwdriver Sets, allowing you to build the ultimate collection of benchtop tools.

Benchtop Screwdriver Set 10 Piece Torx Safety Instructions

Introduction

Thank you for choosing the Wheeler 10 Piece Torx Benchtop Screwdriver Set. This guide provides essential safety information to ensure the safe and effective use of your screwdriver set. Please read this manual carefully to understand how to use your tools safely and responsibly.

General Safety Guidelines

- Always inspect tools before use to ensure they are in good condition.
- Keep tools out of reach of children and vulnerable individuals.
- Use the correct size screwdriver for the fastener to prevent damage to the tool and the fastener.
- Wear appropriate personal protective equipment (PPE) such as safety glasses when using tools.
- Do not use tools for unintended purposes.
- Store tools in a dry, secure location to prevent damage and loss.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the screwdriver is securely fitted to the fastener before applying force.
- Do not apply excessive force; if a screw does not turn easily, stop and assess the situation.
- Avoid using damaged tools; replace any tool that shows signs of wear or damage.
- Do not use screwdrivers in wet or damp conditions to prevent electric shock if working near live electrical components.
- Keep your hands and other body parts clear of the tool's working area during use.
- Use caution when working at heights or in awkward positions to avoid accidents.

Instructions for Installation and Usage

1. Selecting the Right Tool:

- Choose the appropriate Torx screwdriver from the set (T7T40) based on the size of the fastener.

2. Using the Screwdriver:

- Align the screwdriver tip with the fastener.
- Apply gentle pressure while turning the screwdriver in the correct direction (clockwise to tighten, counterclockwise to loosen).
- Maintain a firm grip on the handle for better control.

3. Storing the Tools:

- After use, return the screwdriver to the benchtop stand to keep it organized and prevent loss.
- Ensure that the stand is placed on a stable surface.

4. Regular Maintenance:

- Clean the screwdriver after each use to remove dirt and debris.
- Inspect the handles and shafts for any signs of damage or wear.

Disposal Instructions

- Dispose of the screwdriver set responsibly, following local regulations for tool disposal.
- Consider recycling options for metal components when applicable.
- Do not dispose of tools in general waste; check for designated recycling centers.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your Wheeler 10 Piece Torx Benchtop Screwdriver Set, please refer to the contact details provided on the packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safer working environment and prolong the life of your tools. Thank you for your attention to these guidelines.
