

# ORYX BIPOD Sling Swivel Stud Attachment - Sling Swivel Stud Attachment - ODG

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Operate effortlessly with one hand—quickly stow, deploy, adjust, and extend the bipod legs with a simple push or flick, ensuring rapid readiness and a lightweight, robust design. The MDT Oryx Bipod features rubber feet inspired by soccer cleats and tire treads, offering excellent traction on various terrains for slip-free stability and precise control. Constructed from a premium polymer blend, the bipod's legs provide unmatched durability and stability, making it ideal for both hunting and general use by combining strength and efficiency. Designed for comfort and control, the MDT Oryx Bipod allows for easy adjustments and reliable support, enhancing your shooting experience in any environment.

# ORYX BIPOD Sling Swivel Stud Attachment Safety Instructions

## Introduction

Thank you for choosing the ORYX BIPOD Sling Swivel Stud Attachment. This guide provides important safety information to ensure the safe and effective use of your bipod. Please read this manual carefully before using the product.

## General Safety Guidelines

- Always inspect the bipod before use for any signs of damage or wear.
- Ensure that the bipod is properly attached to your firearm before each use.
- Do not exceed the weight limit of the bipod to avoid failure.
- Keep the bipod clean and free from debris to maintain optimal performance.
- Always use the bipod in a safe environment, away from unauthorized individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the bipod is used on stable and level ground to prevent tipping.
- Avoid using the bipod in extreme weather conditions that may affect stability.
- Do not modify or alter the bipod in any way, as this may compromise safety.
- Always follow local laws and regulations regarding the use of firearms and accessories.
- Keep the bipod out of reach of children and vulnerable individuals when not in use.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded before attaching the bipod.
- Locate the swivel stud on your firearm.
- Align the bipod's attachment point with the swivel stud.
- Firmly push the bipod onto the swivel stud until it clicks into place.
- Confirm that the bipod is securely attached by gently tugging on it.

### 2. Usage

- To deploy the bipod legs, press the release button while pulling the legs down.
- Adjust the height of the bipod legs by sliding them to the desired length.
- Ensure that the rubber feet are in contact with the ground for stability.
- To stow the bipod, retract the legs by pushing them up until they lock into place.
- Always check the stability of the bipod before taking a shot.

## Disposal Instructions

- When disposing of the bipod, follow local regulations regarding the disposal of plastic and polymer materials.
- Do not dispose of the bipod in household waste. Instead, look for recycling programs that accept such materials.
- Ensure that the bipod is completely disassembled, if possible, to facilitate recycling.

## **Contact Information for Further Support**

For any questions or concerns regarding the ORYX BIPOD Sling Swivel Stud Attachment, please contact the manufacturer directly through their official channels. Ensure that you have the product information ready for reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your ORYX BIPOD!
