Safety Instruction Guide for Adapter (tapered) M15x1

Introduction

Thank you for choosing the Adapter (tapered) M15x1. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow all guidelines carefully to avoid potential hazards and ensure a safe experience.

General Safety Guidelines

- Ensure that the Adapter is compatible with your equipment before use.
- Always inspect the Adapter for any signs of damage or wear before installation.
- Use the product only for its intended purpose as described in this guide.
- Keep the Adapter out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Awareness:**
 - The Adapter is designed for use with the Sinus Brake/Benchrest Barrel Tuner. Using it with incompatible equipment may pose safety risks.
 - Ensure that the joint hook wrench used has a 29mm diameter pin to fit the Adapter correctly.
- **Installation Safety:**
 - Always install the Adapter on a stable and secure surface.
 - Do not force the Adapter onto the muzzle thread; ensure proper alignment before screwing it in.
- **Usage Safety:**
 - Avoid using excessive force during installation or removal.
 - If the Adapter becomes loose during use, stop immediately and check the installation.
- **Maintenance:**
 - Regularly check the Adapter for signs of wear or damage.
 - Clean the Adapter with a soft cloth and avoid using harsh chemicals.

Instructions for Installation and Usage

1. Installation:

- Ensure that the muzzle thread is clean and free from debris.
- Align the Adapter with the muzzle thread.
- Using the joint hook wrench with a 29mm diameter pin, carefully screw the Adapter onto the muzzle thread.
- Ensure it is securely fastened but do not overtighten.

2. Usage:

- Once installed, the Adapter can be used with the Sinus Brake/Benchrest Barrel Tuner as intended.
- Monitor the Adapter during use for any signs of looseness or wear.

3. Removal:

- To remove the Adapter, use the joint hook wrench again.
- Carefully unscrew the Adapter from the muzzle thread, ensuring not to apply excessive force.

Disposal Instructions

- Dispose of the Adapter in accordance with local regulations for metal waste.
- Do not dispose of the Adapter in regular household waste.
- If the Adapter is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the Adapter (tapered) M15x1, please refer to the manufacturer's website or contact your local distributor.

Thank you for following these safety instructions. Your adherence helps ensure not only your safety but also the longevity and performance of your Adapter.
