Safety Instruction Guide for Adapter (Cylindrical) M15x1

Introduction

Thank you for choosing the Adapter (Cylindrical) M15x1. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before using the adapter.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Keep the adapter out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the adapter for any signs of wear or damage before use.
- Always use the adapter with the appropriate tools and in accordance with the manufacturer's instructions.
- Report any unsafe conditions or product-related accidents to relevant authorities.

Specific Safety Precautions for Use

- Use a joint hook wrench with a 29mm diameter pin to fit the adapter securely.
- Do not exceed the recommended torque when tightening the adapter to avoid damage.
- Avoid using the adapter in wet or damp conditions to prevent slipping and accidents.
- Ensure that the muzzle thread is clean and free from debris before attaching the adapter.
- If you experience any difficulties during installation or use, stop immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Ensure that the area is well-lit and free from obstructions.
- Gather all necessary tools, including the joint hook wrench with a 29mm diameter pin.

2. Installation

- Clean the muzzle thread to ensure a secure fit.
- Align the adapter with the muzzle thread.
- Carefully screw the adapter onto the muzzle thread, turning it clockwise.
- Use the joint hook wrench to tighten the adapter firmly, but do not overtighten.

3. Usage

- Once installed, ensure that the adapter is securely attached before using the equipment.
- Regularly check the tightness of the adapter during use to ensure safety.
- If you notice any unusual movement or noise, stop using the equipment immediately and inspect the adapter.

Disposal Instructions

- Dispose of the adapter according to local regulations for metal products.
- Do not dispose of the adapter in general waste.
- If the product is damaged beyond repair, ensure that it is disposed of safely to prevent injury or environmental harm.

Contact Information for Further Support

For any inquiries regarding safety or product concerns, please consult the manufacturer's information or your local distributor.

Thank you for prioritizing safety while using the Adapter (Cylindrical) M15x1. Your adherence to these guidelines helps ensure a safe experience.
