# Adapter (Cylindrical) Safety Instruction Guide

## Introduction

Thank you for choosing the Adapter (Cylindrical) 5/8x24 UNEF. This guide provides essential safety instructions and usage information to ensure the safe operation of this product. Please read this manual thoroughly before use and keep it for future reference.

## General Safety Guidelines

- Ensure the Adapter is compatible with your specific equipment before use.
- Always inspect the Adapter for any damage or wear before installation.
- Use the Adapter only for its intended purpose as described in this guide.
- Keep the Adapter out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to equipment failure or accidents.
- Using the Adapter with incompatible equipment can cause damage.
- Failure to use the correct tools (e.g., a joint hook wrench with a 29mm diameter pin) can result in injury.

### • Avoiding Hazards:

- Always follow the installation instructions carefully.
- Use protective eyewear and gloves during installation and usage.
- Do not exceed the recommended torque specifications when tightening the Adapter.
- Ensure the work area is clean and free from distractions during installation.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather the necessary tools, including a joint hook wrench with a 29mm diameter pin.
- Ensure that the muzzle thread of your firearm or equipment is clean and free of debris.

### 2. Installation:

- Align the Adapter with the muzzle thread.
- Using the joint hook wrench, carefully screw the Adapter onto the muzzle thread.
- Tighten the Adapter securely, but do not overtighten to avoid damage.

### 3. Usage:

- Once installed, ensure that the Adapter is stable and secure before using the equipment.
- Regularly check the Adapter during use to ensure it remains tight and secure.
- If any issues arise during use, stop immediately and inspect the Adapter for any damage.

## **Disposal Instructions**

- Dispose of the Adapter in accordance with local regulations for metal waste.
- Do not dispose of the Adapter in regular household waste.
- Consider recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please refer to the EUbased contact point provided by the manufacturer. Ensure you have the product details on hand when seeking assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our priority.
