Sinus Magnum Brake Adapter Safety Instructions

Introduction

Thank you for choosing the Sinus Magnum Brake Adapter. This product is designed to enhance your braking system by providing a secure connection to the muzzle thread. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the product is suitable for your specific braking system before use.
- Keep the product out of reach of children to prevent accidents.
- Regularly inspect the adapter for any signs of wear or damage.
- If you experience any issues during installation or use, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Use only the recommended joint hook wrench with a pin for a diameter of 44mm to fit the adapter.
- Do not attempt to modify the adapter or use it in a manner not specified in the instructions.
- Ensure that the adapter is securely fastened before using your braking system.
- Avoid using the product in extreme temperatures or conditions that may affect its integrity.

Instructions for Installation and Usage

1. Preparation

- Ensure that the braking system is clean and free from debris.
- Gather all necessary tools, including the joint hook wrench with a pin for a diameter of 44mm.

2. Installation

- Carefully align the Sinus Magnum Brake Adapter with the muzzle thread.
- Use the joint hook wrench to securely screw the adapter onto the muzzle thread. Ensure it is tightened adequately without overtightening, which may cause damage.
- Doublecheck that the adapter is firmly attached before proceeding.

3. Usage

- After installation, test the braking system to ensure proper function.
- Monitor the adapter during use for any unusual sounds or movements.
- If any issues are detected, stop using the braking system immediately and inspect the adapter.

Disposal Instructions

- Dispose of the Sinus Magnum Brake Adapter in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options or designated disposal facilities for automotive parts.
