

# Field Stock Rem 700 LA RH - MDT Chassis - Field Stock - Remington 700 - SA - RH - ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

One standout feature that distinguishes the Field Stock is its aluminum v-block bedding system, which significantly enhances accuracy by providing a stable and secure foundation for your rifle's action. Furthermore, the ingenious free-floating barrel design further elevates precision, instilling the confidence you need to consistently hit your target.

For enthusiasts of long-range shooting, the adjustable buttstock delivers a customizable experience, ensuring your comfort during extended shooting sessions. Bid farewell to discomfort and usher in a new era of shooting performance.

The Remington 700 SA Field Stock offers extensive configurability, making it suitable for a wide range of shooting disciplines. It comes equipped with sling swivel studs for added convenience, while the M-LOK forend opens up a world of possibilities for personalizing your setup with accessories. Whether you're engaged in hunting, competitive shooting, or simply enjoying leisurely long-range target practice, this stock is your all-encompassing solution.

With the included sling swivel studs and an M-LOK forend, you have the freedom to mount any accessory necessary to accomplish your mission. Attach a sling and bipod for a successful backcountry hunt, or set up in a blind with an ARCA rail and tripod for precision shooting. AICS magazine compatibility ensures you're always carrying the right amount of ammunition for the task at hand.

# Field Stock Rem 700 LA RH MDT Chassis Safety Instruction Guide

## Introduction

Thank you for choosing the Field Stock Rem 700 LA RH MDT Chassis. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before use to understand the safety precautions and operational guidelines.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the safety is engaged when not in use.
- Store your firearm securely and out of reach of children.
- Regularly inspect your firearm and accessories for wear or damage.
- Use only the recommended ammunition for your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- **Aluminum VBlock Bedding System:** Ensure that the bedding system is properly installed and secured. A loose bedding system may affect accuracy and safety.
- **FreeFloating Barrel Design:** Avoid resting the barrel on any surface while shooting to maintain the integrity of the freefloating design.
- **Adjustable Buttstock:** Adjust the buttstock to fit your shoulder comfortably. An improperly adjusted buttstock can lead to improper shooting posture and accuracy issues.
- **Sling Swivel Studs:** Ensure that all accessories attached to the sling swivel studs are securely fastened to prevent accidental detachment during use.
- **MLOK Forend:** When attaching accessories to the MLOK forend, ensure they are compatible and securely mounted to avoid accidents during operation.
- **AICS Magazine Compatibility:** Always verify that the magazine is securely seated in the firearm before use. This ensures proper feeding of ammunition.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing stock from the Remington 700.
- Align the Field Stock with the action of the firearm.
- Securely fasten the Field Stock using the provided screws, making sure not to overtighten.
- Attach the adjustable buttstock to your preferred length for comfort.

### 2. Usage:

- Before shooting, perform a safety check to ensure all components are secure.
- Adjust the buttstock and check the alignment of the sights.
- Load the firearm with appropriate ammunition and ensure the magazine is properly seated.
- Engage the safety until you are ready to fire.
- When finished, unload the firearm and engage the safety.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- When the product reaches the end of its life cycle, dispose of it responsibly by following local waste management guidelines.
- Do not dispose of firearms or ammunition in regular trash. Contact local authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided by the manufacturer or authorized dealer. Always ensure you have the latest safety updates and product recalls.

By adhering to these safety instructions, you can ensure a safer shooting experience with your Field Stock Rem 700 LA RH MDT Chassis. Thank you for prioritizing safety in your firearm use.
