

# Chassis - HNT 26 - Howa 1500 - SA - RH - Fixed - ARCA - BCF

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

## DESIGNED FOR THE HUNT

MDT's first purpose-built hunting chassis. Made with lightweight carbon fiber, with folding stock and ARCA forend options.

## WHEN POUNDS EQUAL PAIN

Manufactured using magnesium and carbon fiber, two of the highest quality, and most lightweight materials around. The HNT26 Chassis total package weights in starting at just 26oz, with the folding and ARCA options going up to approx. 31oz.

## COMFORTABLE REGARDLESS OF WEATHER

Carbon fiber touch points on the HNT26 Chassis System not only help with weight savings, but also remove the "cold to the touch" feeling that can be associated with some metal materials in extreme conditions.

## DESIGNED TO BE SNAG-FREE

The HNT26 rifle stock has been designed to drastically diminish snag points. From its smoother, less aggressive shape to the seamless integration of the magazine latch into the trigger guard, every part of this chassis system was truly designed with the hunter in mind.

1. Warm to the touch with lightweight carbon
2. Enclosed forend with M-LOK slots at 3, 6, 9 and 12 o'clock
3. Low profile mag latch integrated into the trigger guard
4. Adjustable cheek riser for better fitment
5. AICS Magazine compatible
6. Lightweight carbon fiber pistol grip (included)
7. QD Flush cups front and rear on both sides
8. Snag-free design for bushwhacking in the field

## Attributes

- Name: [MDT Chassis - HNT 26 - Howa 1500 - SA - RH - Fixed - ARCA - BCF](#)
- Manufacturer: [MDT](#)
- Product no.: EU2012689
- Mfr. No.: 107836-BCF
- Action Type: Short
- Colour: Carbon Fiber
- Hand (RH LH): Right
- Material: Magnesium
- Model: 1500
- Style: Chassis
- Weapon type: Howa
- Delivery weight: 1.45kg
- Shipping height: 54mm
- Shipping width: 185mm
- Shipping length: 892mm
- EAN: 0682157403950

# Safety Instruction Guide for MDT Chassis HNT 26 Howa 1500

## Introduction

Thank you for choosing the MDT Chassis HNT 26 Howa 1500. This product is designed for hunting enthusiasts seeking a lightweight, durable, and efficient chassis system. This guide provides essential safety instructions to ensure the safe use of your MDT Chassis. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the chassis with care to prevent accidental damage or injury.
- Keep the chassis out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear or damage. If any issues are detected, discontinue use immediately.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling or using the chassis.
- Ensure that the rifle is unloaded before installing or adjusting the chassis.
- Do not exceed the manufacturer's weight limit for the chassis.
- Avoid using the chassis in extreme weather conditions that may compromise its integrity.
- Be cautious of sharp edges or components during installation and handling.
- Use only compatible accessories and components as specified by the manufacturer.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have all necessary tools and components before starting.
- Carefully follow the manufacturer's installation instructions included with the chassis.
- Align the chassis with the rifle and securely fasten all screws and components.
- Check that the magazine latch and trigger guard are properly integrated and functioning.

### 2. Usage:

- Adjust the cheek riser to ensure a comfortable fit for your shooting position.
- Familiarize yourself with the QD flush cups for mounting slings or other accessories.
- Practice safe handling and shooting techniques at all times.
- After use, clean the chassis according to the manufacturer's guidelines to maintain its performance.

## Disposal Instructions

- Dispose of the chassis in accordance with local regulations for waste disposal.
- Do not dispose of the chassis in regular household waste.
- If the chassis is damaged beyond repair, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Chassis HNT 26 Howa 1500, please refer to the manufacturer's contact information provided in the product packaging or on the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Chassis HNT 26 Howa 1500. Thank you for your attention to these important guidelines.
