

MPO - MEPRO PISTOL OPTICS - MPO PRO S - CLOSED EMITTER PISTOL - RMSC/JPOINT

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

Introducing the Mepro MPO Pro-S — a durable and rugged enclosed optic system built to meet the demands of military and law enforcement operations.

The Mepro MPO Pro-S represents a significant advancement from Meprolight, engineered to match the legendary durability of the Mepro M21, M22, and M5. It enhances precision and accuracy across multiple firearm styles and calibers. It automatically adapts to any environment.

Built to endure direct impacts and operate in the harshest conditions, the MPO Pro-S provides heightened accuracy and an exceptional field of view. Featuring a user selectable 3 segment reticle system (3 MOA dot, 33MOA bullseye, and 33 MOA ring) allowing the shooter to choose how they interact with their optic. RMSc/JPoint footprints.

Safety Instruction Guide for Mepro MPO ProS

Introduction

Thank you for choosing the Mepro MPO ProS enclosed optic system. This guide provides essential safety information and instructions to ensure the safe and effective use of your optic. Please read this guide carefully before installation and use.

General Safety Guidelines

- **Product Safety:** The Mepro MPO ProS is designed to ensure safe use during military and law enforcement operations. Always handle the product with care to minimize risks.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices. Please follow the instructions provided for safe return or remedy.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** Extra precautions should be taken if the product is used in environments with vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about any safety updates regarding the Mepro MPO ProS through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Direct Impact:** The MPO ProS is built to withstand impacts, but avoid dropping or subjecting it to unnecessary force.
- **Environmental Conditions:** While the product is IP67 rated waterproof, avoid prolonged exposure to extreme temperatures or harsh environments beyond its specifications.
- **Battery Safety:** Use only the recommended CR1632 battery. Improper battery use can lead to leaks or malfunctions.
- **Reticle Settings:** Familiarize yourself with the userselectable 3 segment reticle system to ensure optimal sighting.
- **Brightness Control:** Utilize the automatic and manual brightness control to adjust visibility according to lighting conditions.
- **Proper Mounting:** Ensure the optic is securely mounted on the firearm to prevent accidents during use.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded before beginning installation.
- Follow the manufacturer's instructions to securely attach the MPO ProS to the firearm.
- Check that the optic is aligned correctly and is stable before use.

2. Usage:

- Familiarize yourself with the reticle options (3 MOA dot, 33 MOA bullseye, and 33 MOA ring) and select the one that best suits your shooting style.
- Adjust the brightness settings based on the environment you are operating in.
- Practice using the optic in a safe environment to gain proficiency before using it in the field.

Disposal Instructions

- **Battery Disposal:** Dispose of used CR1632 batteries according to local regulations for hazardous waste.
- **Product Disposal:** When the product reaches the end of its life, dispose of it in accordance with local electronic waste disposal guidelines. Do not throw it in regular trash.

Contact Information for Further Support

For further support and inquiries regarding safety or product issues, please refer to the contact information provided by the retailer or manufacturer.

Thank you for your attention to these safety instructions. Your safety and the effective use of the Mepro MPO ProS are our highest priorities.
