

MPO - MEPRO PISTOL OPTICS - MPO F - OPEN EMITTER PISTOL - RMR

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

Time to target matters. The new Mepro MPO-F is engineered with a sleek, low-profile design to minimize the risk of snags, ensuring a quicker and smoother draw with your full-sized pistols.

With user-friendly buttons, a standard CR1632 battery offering 20,000 (over 2.5 years) of illumination, and an RMR footprint which allows for direct mounting to your favorite handguns, the MPO-F stands as the obvious choice for personal defense.

User selectable 3 segment reticle (3 MOA dot, 33MOA bullseye, and 33 MOA ring) allows you to tailor how you interact with your optic. This means your focus remains fixed on the threat, allowing you to stay fully engaged in the situation.

The MPO-F's design accommodates a variety of pistols, ensuring comfort during everyday carry. Carry with confidence and equip your pistol with an optic that enhances your speed, elevates your accuracy, and maintains your unwavering focus on the target.

- RMR Footprint
- User selectable 3 segment reticle
- Automatic and Manual Brightness Control
- Power Saving Sleep Mode IPX7 Waterproof rating

Safety Instruction Guide for MPO MEPRO PISTOL OPTICS MPO F

Introduction

Thank you for choosing the MPO MEPRO PISTOL OPTICS MPO F. This guide provides important safety instructions and guidelines to ensure the safe use of your optic. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use.
- Store the optic in a safe, dry place when not in use.
- Follow all local laws and regulations regarding the use of optics on firearms.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Product Safety:** Ensure that the optic is securely mounted on the firearm before use. Be aware of the potential for glare or reflection that may affect visibility.
- **User Interaction:** Familiarize yourself with the userfriendly buttons and features before using the optic. Do not attempt to modify the optic in any way.
- **Battery Safety:** Use only the specified CR1632 battery. Avoid exposing the battery to extreme temperatures or humidity. Dispose of used batteries properly and in accordance with local regulations.
- **Environmental Conditions:** The MPOF is rated IPX7 waterproof; however, avoid submerging it for extended periods. If the optic becomes wet, dry it thoroughly before storage.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded before installation.
- Align the MPOF with the RMR footprint on your firearm.
- Securely fasten the optic using the appropriate screws (included).
- Check that the optic is firmly attached and does not wobble.

2. Battery Installation:

- Remove the battery cover using a small screwdriver.
- Insert the CR1632 battery, ensuring the positive (+) side is facing up.
- Replace the battery cover securely.

3. Usage:

- Turn on the optic using the designated button.
- Adjust the brightness settings as needed for your environment (12 settings available).
- Select your desired reticle configuration using the userselectable options.
- Practice using the optic in a safe environment to become familiar with its features.

Disposal Instructions

- Dispose of the MPOF and its components in accordance with local regulations.
- Do not dispose of the product in household waste.
- Recycle the battery according to local battery recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the MPO MEPRO PISTOL OPTICS MPO F, please reach out to the designated EU contact point for safety inquiries. Ensure that you have the product information ready for reference.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority.
