

Field Stock Savage MKII RH - MDT Chassis - Field Stock - Savage MKII - RH - ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

One standout feature that distinguishes the Field Stock is its aluminum v-block bedding system, which significantly enhances accuracy by providing a stable and secure foundation for your rifle's action. Furthermore, the ingenious free-floating barrel design further elevates precision, instilling the confidence you need to consistently hit your target.

For enthusiasts of long-range shooting, the adjustable buttstock delivers a customizable experience, ensuring your comfort during extended shooting sessions. Bid farewell to discomfort and usher in a new era of shooting performance.

The Field Stock offers extensive configurability, making it suitable for a wide range of shooting disciplines. It comes equipped with sling swivel studs for added convenience, while the M-LOK forend opens up a world of possibilities for personalizing your setup with accessories. Whether you're engaged in hunting, competitive shooting, or simply enjoying leisurely long-range target practice, this stock is your all-encompassing solution.

Field Stock Savage MKII RH MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the Field Stock Savage MKII RH MDT Chassis. This guide is designed to provide you with essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- Do not modify the product in any way that may compromise its safety or performance.
- Always wear appropriate personal protective equipment (PPE) when using firearms, including eye and ear protection.
- Be aware of your surroundings and ensure that the area is safe for shooting.
- Follow all local laws and regulations regarding the use of firearms.

Specific Safety Precautions for Use

- Before using the Field Stock, ensure that it is properly installed on your rifle.
- Check that the aluminum vblock bedding system is secure and intact.
- Ensure that the barrel is freefloating and unobstructed.
- Adjust the buttstock to fit your body comfortably before shooting.
- Always keep the firearm pointed in a safe direction.
- Do not load the firearm until you are ready to shoot.
- Always engage the safety mechanism when the firearm is not in use.
- If you notice any malfunctions or irregularities during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation

- Remove the existing stock from your Savage MKII rifle.
- Align the aluminum vblock bedding system with the rifle's action.
- Secure the chassis to the rifle using the provided screws and tools.
- Ensure that the chassis is firmly attached and there is no movement.

2. Adjusting the Buttstock

- Loosen the adjustment screws on the buttstock.
- Slide the buttstock to the desired length.
- Tighten the screws to secure the buttstock in place.

3. Using the Sling Swivel Studs

- Attach your sling to the provided swivel studs for ease of carrying.
- Ensure that the sling is securely fastened to prevent accidental detachment.

4. MLOK Forend Customization

- Use MLOK compatible accessories to customize your setup.
- Follow the manufacturer's instructions for installing any additional accessories.

5. Shooting

- Before shooting, ensure that the area is clear of people and obstacles.
- Load your firearm only when you are ready to shoot.
- Follow proper shooting techniques and maintain control of your firearm at all times.

Disposal Instructions

- Dispose of the product responsibly and in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support
