

Full Length Die 7/8 - Full Length Die 224 Wea Mag

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Full Length Die 7/8 Full Length Die 224 Wea Mag Safety Instruction Guide

Introduction

Thank you for choosing the Full Length Die 7/8 Full Length Die 224 Wea Mag. This guide provides essential safety instructions to ensure the safe use of the product. Please read this document carefully before using the die to avoid any hazards and ensure a safe reloading experience.

General Safety Guidelines

- **Product Safety:** This product has been designed to meet safety standards for nonfood items. Always ensure safe handling and usage.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. Follow the instructions provided in case of a recall.
- **Online Shopping Safety:** If you purchased this product online, be aware that it is subject to the same safety regulations as products bought in physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when this product is used near children or vulnerable individuals.
- **EU Contact Point:** For safety inquiries, always refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Check the EU's Safety Gate platform regularly for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand the manual before using the die.
- **Wear Safety Gear:** Use appropriate safety gear, such as safety glasses and gloves, to protect yourself during the reloading process.
- **Check for Damage:** Inspect the die and all components for any signs of wear or damage before use.
- **Keep Away from Children:** Store the die and all reloading materials out of reach of children.
- **Work in a WellVentilated Area:** Ensure your workspace is wellventilated to avoid inhaling any potentially harmful fumes.
- **Avoid Overloading:** Do not exceed the recommended load specifications for your cartridge cases.
- **Use Proper Tools:** Utilize the correct tools for installation and adjustments to avoid accidents or damage.

Instructions for Installation and Usage

1. Setup:

- Ensure your reloading press is securely mounted and stable.
- Check that the lock nut is properly adjusted to hold the die in place.

2. Calibrating the Die:

- Insert the cartridge case into the die.
- The neck of the case will be calibrated as it is pushed into the die.
- Ensure the die is positioned correctly in the press for optimal calibration.

3. Using the Expander and Ejector Pin:

- The die includes a removable expander and an integrated primer ejector pin.
- If necessary, replace these components with minimal effort.

4. **PostUse Care:**

- Clean the die after each use to prevent residue buildup.
- Store the die in a dry, safe place when not in use.

Disposal Instructions

- **Proper Disposal:** Dispose of any damaged or unusable components according to local regulations for hazardous waste.
- **Recycling:** If applicable, recycle packaging materials and components in accordance with local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or support regarding the Full Length Die 7/8 Full Length Die 224 Wea Mag, please refer to the designated EU contact point associated with this product.

By following these safety instructions, you can ensure a safe and efficient reloading experience. Stay informed and prioritize safety at all times.
