

# Full Length Die 7/8 - Full Length Die 7,62x39

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# Full Length Die 7/8 Safety Instruction Guide

## Introduction

Thank you for choosing the Full Length Die 7/8 for resizing your cartridge cases. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before using the die.

## General Safety Guidelines

- **Product Safety:** This die is designed to ensure safe use during reloading operations. Always follow the instructions to minimize risks.
- **Enhanced Recalls:** In case of any safety issues, standardized recall notices will be issued. Please stay informed about product recalls.
- **Online Shopping:** If purchased online, you are entitled to the same safety protections as if purchased in a physical store.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the relevant EU contact point associated with this product.
- **Rapid Alerts:** Stay updated on any safety alerts through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand the manual before using the die.
- **Use Personal Protective Equipment (PPE):** Wear safety glasses and gloves to protect yourself while reloading.
- **Inspect Before Use:** Check the die for any damage or wear before use. Do not use if damaged.
- **Proper Setup:** Ensure the die is correctly set up in the press to avoid accidents.
- **Keep Area Clear:** Maintain a clean and organized workspace to prevent accidents.
- **Follow Manufacturer Guidelines:** Always adhere to the manufacturer's instructions regarding the use and maintenance of the die.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is clean and free from debris.
- Securely attach the Full Length Die 7/8 to your reloading press using the lock nut.
- Confirm that the die is positioned correctly for resizing operations.

### 2. Usage:

- Insert the cartridge case into the die.
- Apply steady pressure to push the cartridge case into the die.
- The neck of the case will be calibrated as it exits the die, achieving the correct neck tension.
- If necessary, replace the expander and ejector pin as per the instructions in the manual.
- After use, clean the die to prevent buildup of debris or residue.

## Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check for recycling options or hazardous waste disposal facilities in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the Full Length Die 7/8, please refer to the contact information provided in the product packaging or manual.

Thank you for prioritizing safety while using the Full Length Die 7/8. Your adherence to these guidelines ensures a safe and efficient reloading experience.
