

Bench-Rest Neck Die 7/8 - Bench-Rest Neck Die 5,6x52 R

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

BenchRest Neck Die Safety Instruction Guide

Introduction

Thank you for choosing the BenchRest Neck Die 7/8 for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before using the die.

General Safety Guidelines

- Ensure safe handling and use of the BenchRest Neck Die.
- Be aware of potential hazards associated with reloading equipment.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates or recalls related to this product on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Safety:** Always wear appropriate safety gear, including safety glasses and gloves, when using the die.
- **Work Area:** Use the die in a wellventilated area, away from flammable materials.
- **Inspection:** Before each use, inspect the die for any signs of wear or damage. Do not use if damaged.
- **Handling:** Handle the die with care. Avoid applying excessive force when sizing cartridges.
- **Storage:** Store the die in a dry, secure location to prevent accidental damage or misuse.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is compatible with the 7/8 thread size of the die.
- Securely attach the BenchRest Neck Die to the reloading press, following the manufacturer's instructions.
- Adjust the die according to the specifications provided in the manual.

2. Usage:

- Before reloading, ensure that the cartridge case is clean and free of debris.
- Insert the cartridge case into the guide sleeve of the die.
- Operate the reloading press to size the cartridge case. Ensure that the die is properly aligned to avoid misalignment during the sizing process.
- If using the optional expander or primer ejector pin, follow the specific instructions provided for those components.

3. PostUsage:

- After use, clean the die to remove any residue or buildup.
- Store the die in its original packaging or a suitable container to protect it from damage.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the die in household waste. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the BenchRest Neck Die, please consult the manufacturer's contact point or refer to the product manual for additional resources.

Thank you for prioritizing safety while using the BenchRest Neck Die. Your attention to these guidelines helps ensure a safe and effective reloading experience.
