

Bench-Rest Neck Die 7/8 - Bench-Rest Neck Die 6mm Dasher

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

BenchRest Neck Die Safety Instruction Guide

Introduction

Thank you for choosing the BenchRest Neck Die 7/8 for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read all the information carefully before using the die.

General Safety Guidelines

- Ensure that the BenchRest Neck Die is used only for its intended purpose, which is to resize and shape cartridge cases.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the reloading area clean and organized to prevent accidents.
- Store the die in a safe place, out of reach of children and pets.
- Regularly inspect the die for wear and damage. Do not use if any parts appear compromised.
- Follow all local laws and regulations regarding ammunition reloading and storage.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from sharp edges or moving parts during operation.
- Potential for misfires or accidents if improperly used.

- **Avoiding Hazards:**

- Handle the die with care, ensuring that your hands are dry and free from grease.
- Do not attempt to modify or alter the die in any way.
- Ensure that the die is securely mounted in a stable reloading press before use.
- Never exceed the recommended specifications for cartridge cases as indicated by the manufacturer.

- **Age and Audience Specific Warnings:**

- This product is intended for use by adults only. Keep out of reach of children.
- Ensure that all users are trained and knowledgeable about reloading practices.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is compatible with a 7/8 inch die.
- Clean the threads of the die and the reloading press to prevent damage.
- Screw the BenchRest Neck Die into the reloading press until snug. Do not overtighten.
- Insert the interchangeable bushing as required for your specific cartridge case.

2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for any damage.
- Set the die to the appropriate depth for the cartridge case you are using.
- Place a cartridge case in the die and operate the reloading press to resize the case.
- Repeat the process for each case, ensuring proper alignment and operation.

- If using the optional expander and primer ejector pin, follow the manufacturer's instructions for installation and use.

3. PostUsage:

- After use, clean the die thoroughly to remove any residue or debris.
- Store the die in its original packaging or a secure container to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn components of the die responsibly. Check local regulations for disposal of metal and plastic materials.
- Do not discard the die in regular household waste if it is still functional. Consider donating it to local shooting clubs or reloading enthusiasts.

Contact Information for Further Support

For further assistance with your BenchRest Neck Die, please refer to the product manual or consult with your retailer for support options.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable reloading experience with your BenchRest Neck Die. Always prioritize safety and compliance with local laws when engaging in reloading activities. Thank you for your attention and safe reloading!
