

# Bench-Rest Neck Die 7/8 - Bench-Rest Neck Die 6mm PPC

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# Safety Instruction Guide for BenchRest Neck Die 7/8 and 6mm PPC

## Introduction

Thank you for purchasing the BenchRest Neck Die 7/8 and 6mm PPC. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read this manual carefully before using the die, and keep it for future reference.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this die.
- Always wear appropriate safety gear, including safety glasses, when handling reloading components.
- Keep all reloading materials and equipment out of reach of children and pets.
- Inspect the die and all components for damage or wear before each use. Do not use damaged equipment.
- Follow all manufacturer instructions and guidelines for safe use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about safety recalls and updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the BenchRest Neck Die with compatible cartridge cases as specified in the product description.
- Ensure that the die is securely mounted in a stable reloading press before use.
- Do not exceed the recommended specifications for cartridge reloading.
- Avoid using excessive force during the resizing process to prevent equipment failure or injury.
- Always keep your hands and other body parts clear of moving parts during operation.
- Do not modify the die or its components in any way.
- If you are unsure about any aspect of using the die, consult the manual or seek professional assistance.

## Instructions for Installation and Usage

### Installation

#### 1. Mounting the Die:

- Securely attach the BenchRest Neck Die to your reloading press using the provided thread (7/8).
- Ensure that the die is aligned properly with the press to avoid misalignment during operation.

#### 2. Inserting the Bushing:

- Select the appropriate interchangeable precision ground bushing for your cartridge case.
- Insert the bushing into the die according to the manufacturer's instructions.

### Usage

#### 1. Preparing the Cartridge Case:

- Inspect the cartridge case for cleanliness and damage before resizing.
- If necessary, clean the case to remove any dirt or debris.

#### 2. Resizing the Cartridge Case:

- Place the cartridge case in the die and ensure it is seated properly.

- Operate the reloading press to resize the cartridge case by following the manufacturer's guidelines.
- If using the optional expander and primer ejector pin, follow the additional instructions provided for these components.

### **3. Finishing the Process:**

- Once resizing is complete, remove the cartridge case from the die.
- Inspect the resized case for any defects before proceeding with further reloading steps.

## **Disposal Instructions**

- Dispose of any damaged or worn components according to local regulations.
- Do not throw the die or its components into general waste. Instead, consider recycling options where available.
- Ensure that any hazardous materials are disposed of in compliance with local environmental regulations.

## **Contact Information for Further Support**

For any questions or concerns regarding the BenchRest Neck Die, please refer to the manufacturer's website or contact your retailer for assistance. Always keep this manual for reference to ensure safe usage of the product.

By following these safety instructions, you can ensure a safe and effective reloading experience with the BenchRest Neck Die 7/8 and 6mm PPC. Thank you for your attention to safety.
