

# Bench-Rest Neck Die 7/8 - Bench-Rest Neck Die 243 Win

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRest Neck Die 243 Win Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRest Neck Die 243 Win. This product is designed to help you achieve precise cartridge sizing for optimal performance in your reloading process. To ensure your safety and the effective use of this product, please read and follow the guidelines outlined in this safety instruction guide.

## General Safety Guidelines

- Always handle reloading dies with care and follow all safety instructions.
- Ensure that the workspace is clean and organized before starting the reloading process.
- Keep the reloading area free from distractions and unauthorized personnel, especially children.
- Always wear appropriate safety gear, such as safety glasses and gloves, when using reloading equipment.
- Store the die and all reloading components in a safe place, out of reach of children and pets.
- Regularly inspect the die and all associated tools for wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the die is compatible with your specific reloading press before installation.
- Do not exceed the recommended pressure limits when using the die.
- Use only the specified caliber components for the BenchRest Neck Die 243 Win.
- Avoid using the die with damaged or improperly sized cartridge cases.
- Be cautious of sharp edges on the die and related components.
- Always follow the manufacturer's guidelines for proper maintenance and cleaning of the die.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Remove any existing dies from the press.
- Carefully screw the BenchRest Neck Die into the reloading press using the 7/8 thread.
- Tighten the die securely, but do not overtighten to avoid damage.
- Insert the interchangeable precision ground bushing into the die as needed.

### 2. Usage:

- Place the cartridge case into the guide sleeve of the die.
- Ensure that the cartridge case is seated properly within the guide sleeve.
- Operate the reloading press to size the cartridge case, ensuring smooth and even pressure.
- If using the optional expander, follow the manufacturer's instructions for installation and use.
- After reloading, inspect the cartridge cases for proper sizing and any signs of damage.

## Disposal Instructions

- Dispose of any unused or damaged reloading components in accordance with local regulations.
- Ensure that the die and any associated tools are cleaned and maintained before storage.
- If the die is no longer in use, consider recycling it if applicable, or disposing of it in a responsible manner.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the BenchRest Neck Die 243 Win, please consult the product manual or contact your local retailer. Always ensure that you are using the product in accordance with the manufacturer's guidelines and safety instructions.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to these important details, and happy reloading!
