

Bench-Rest Neck Die 7/8 - Bench-Rest Neck Die 6,5 Grendel

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

BenchRest Neck Die 7/8 Safety Instruction Guide

Introduction

Thank you for choosing the BenchRest Neck Die 7/8. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before using the die to familiarize yourself with its features and safety precautions.

General Safety Guidelines

- Ensure that the BenchRest Neck Die is used only for its intended purpose, which is to resize cartridge cases for reloading.
- Always wear appropriate safety gear, including safety glasses, when working with reloading equipment.
- Keep the workspace clean and free from obstructions to avoid accidents.
- Store the die in a secure place, out of reach of children and pets.
- Regularly inspect the die for wear or damage before use. Do not use if any parts are damaged.
- Follow local laws and regulations regarding reloading and the use of ammunition.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The BenchRest Neck Die is designed for precision reloading. Improper use may lead to incorrect cartridge sizing, which can result in firearm malfunction or injury.
- Handle all reloaded ammunition with care. Improperly sized cartridges may cause jams or misfires.

- **Avoiding Hazards:**

- Always ensure that the die is properly mounted and secured in the reloading press before use.
- Do not exceed the recommended specifications for cartridge cases as outlined in the die's instructions.
- Avoid distractions while reloading to maintain focus and precision.

- **AgeSpecific Warnings:**

- This product is intended for use by adults only. Keep out of reach of children.
- Ensure that anyone using the die has received proper training in reloading practices.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that the reloading press is securely mounted to a stable surface.
2. Insert the BenchRest Neck Die into the press, ensuring it is properly aligned.
3. Tighten the die securely using the provided wrench, ensuring it is stable and will not move during use.

- **Usage:**

1. Prepare the cartridge cases to be resized by cleaning and inspecting them for damage.
2. Insert a cartridge case into the die.
3. Slowly operate the press, applying consistent pressure to resize the cartridge case.
4. After resizing, remove the cartridge case and inspect it for proper sizing.
5. Repeat the process for additional cartridge cases as needed.

Disposal Instructions

- Dispose of any damaged or unusable parts of the BenchRest Neck Die in accordance with local regulations.
- Do not dispose of the die in regular household waste. Instead, check for local recycling or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the BenchRest Neck Die, please refer to the manufacturer's contact information provided in the product packaging or manual.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and successful reloading experience with the BenchRest Neck Die 7/8. Always prioritize safety and adhere to best practices when using this product. Thank you for your attention to these important safety measures.
