

Bench-Rest Neck Die 7/8 - Bench-Rest Neck Die 7x64

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

BenchRest Neck Die 7x64 Safety Instruction Guide

Introduction

Thank you for choosing the BenchRest Neck Die 7x64. This die is designed for precision reloading, ensuring optimal performance and safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always ensure that the BenchRest Neck Die is used in accordance with the manufacturer's instructions.
- Keep the die out of reach of children and vulnerable individuals.
- Inspect the die regularly for signs of wear or damage. Do not use if damaged.
- Use the die only for its intended purpose as described in this guide.
- Store the die in a dry, cool place to prevent corrosion or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using the die.
- Ensure that your workspace is clean and free from distractions.
- Do not attempt to modify the die in any way.
- Handle all components with care to avoid injury.
- Use the die only with compatible cartridge cases as specified by the manufacturer.
- Avoid using excessive force during the sizing process to prevent accidents or damage.
- Ensure proper ventilation in the workspace when reloading.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is compatible with a 7/8 thread.
- Securely attach the BenchRest Neck Die to the reloading press by threading it into place.
- Confirm that the die is properly aligned and tightened before use.

2. Using the Die

- Prepare your cartridge cases by cleaning and inspecting them for damage.
- Insert the cartridge case into the die, ensuring it is seated properly.
- Slowly raise the ram of the reloading press to size the cartridge case.
- If using the optional expander, follow the manufacturer's instructions for proper installation and use.
- After sizing, carefully remove the cartridge case from the die.

3. Maintenance

- Clean the die after each use to prevent residue buildup.
- Store the die in its original packaging or a protective case to prevent damage.

Disposal Instructions

- Dispose of the BenchRest Neck Die and any damaged components in accordance with local regulations for metal waste.
- Do not dispose of the die in regular household waste.
- Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or further assistance regarding the BenchRest Neck Die 7x64, please refer to the manufacturer's manual or contact the manufacturer directly. Ensure you have the product's article number for reference.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the BenchRest Neck Die 7x64!
