

Bench-Rest Neck Die 7/8 - Bench-Rest Neck Die 7,62x54 R

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

BenchRest Neck Die 7/8 Safety Instruction Guide

Introduction

Thank you for choosing the BenchRest Neck Die 7/8 for your reloading needs. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use during reloading processes. Always follow the instructions to mitigate risks associated with reloading.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices. Please pay attention to these communications for your safety.
- **Online Shopping:** Whether purchased online or instore, this product meets all safety requirements applicable to nonfood items.
- **Special Consumer Focus:** Extra care should be taken when this product is used around vulnerable groups, such as children. Keep the product out of reach.
- **EU Contact Point:** For any safety inquiries, please refer to the contact point provided by your retailer or manufacturer.
- **Rapid Alerts:** Stay informed about safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the BenchRest Neck Die.
- Ensure that the workspace is clean, dry, and welllit to avoid accidents.
- Keep the product away from children and unauthorized users.
- Inspect the die and all components before use to ensure they are in good condition and free from damage.
- Do not exceed the recommended specifications for the die, including the use of compatible cartridge cases.
- Follow all manufacturer recommendations for reloading practices to avoid potential hazards.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted.
- Thread the BenchRest Neck Die into the reloading press using a 7/8 inch thread.
- Tighten the die securely, but do not overtighten to avoid damage.

2. Usage:

- Insert the cartridge case into the guide sleeve of the neck die.
- Ensure that the cartridge case is properly aligned with the internal contour of the die.
- If using the optional expander, install it according to the manufacturer's instructions.
- Operate the reloading press to size the cartridge case, ensuring smooth operation throughout the process.
- After reloading, remove the cartridge case and inspect it for any signs of damage or improper sizing.

3. PostUsage:

- Clean the die and its components after each use to prevent residue buildup.
- Store the die in a safe, dry place, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the BenchRest Neck Die 7/8, please refer to the manufacturer's contact point or your retailer for assistance. Always keep the purchase receipt and product information for reference.

By following these safety instructions, you can ensure a safe and effective reloading experience with the BenchRest Neck Die 7/8. Thank you for prioritizing safety in your reloading practices.
