

# Bench-Rest Neck Die 7/8 - Bench-Rest Neck Die 30 BR

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

AVAILABLE

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRest Neck Die 7/8 Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRest Neck Die 7/8. This product is designed to provide precision and reliability in reloading your ammunition. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding the safe operation, installation, and disposal of this product.

## General Safety Guidelines

- Always use the BenchRest Neck Die as intended and according to the manufacturer's instructions.
- Keep the die and all components out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of damage or wear. Do not use if damaged.
- Ensure that your workspace is clean and organized to avoid accidents.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading ammunition.
- Be aware of your surroundings when using the die to prevent accidents.

## Specific Safety Precautions for Use

- Ensure the die is securely mounted in your reloading press before use.
- Do not exceed the recommended load specifications for the cartridge you are reloading.
- Keep hands and body parts clear of moving parts during operation.
- Avoid distractions while using the die to maintain focus and safety.
- Store the die in a safe, dry place when not in use to prevent corrosion and damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is clean and free of debris.
- Screw the BenchRest Neck Die into the reloading press using the 7/8 thread.
- Tighten securely, but do not overtighten to avoid damaging the die or press.

### 2. Usage:

- Prepare your cartridge cases by cleaning them thoroughly.
- Insert the cartridge case into the guide sleeve of the die.
- Operate the reloading press to size the cartridge case, ensuring proper alignment.
- If using the optional expander, follow the manufacturer's instructions for installation and use.
- After reloading, inspect each cartridge for proper sizing and quality.

## Disposal Instructions

- Dispose of any damaged or unusable parts of the die in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check with your local waste management authority for proper disposal methods.
- Recycle any metal components if possible.

## Contact Information for Further Support

For additional questions or concerns regarding the BenchRest Neck Die, please refer to the product manual or

reach out to your retailer for assistance. Always ensure you have the latest information regarding product recalls or safety notices by checking the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and effective reloading experience with your BenchRest Neck Die 7/8. Thank you for your attention to safety, and happy reloading!
