

# Bench-Rest Neck Die 7/8 - Bench-Rest Neck Die 303 British

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

AVAILABLE

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRest Neck Die 303 British Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRest Neck Die 303 British. This guide is designed to ensure your safe and effective use of the product while complying with the EU General Product Safety Regulation (GPSR). Please read this manual carefully before using the die.

## General Safety Guidelines

- Always handle reloading equipment with care, following the manufacturer's instructions.
- Ensure that the work area is clean, welllit, and free from distractions.
- Keep the BenchRest Neck Die out of reach of children and vulnerable individuals.
- Do not use the die for any purpose other than its intended use.
- Regularly inspect the die for any signs of wear or damage before each use.
- Store the die in a secure location when not in use to prevent accidents.

## Specific Safety Precautions for Use

- Use protective eyewear to shield your eyes from potential debris during the reloading process.
- Wear gloves to protect your hands from sharp edges and possible chemicals.
- Ensure that the die is securely attached to the reloading press before use.
- Do not exceed the recommended load specifications for your cartridges.
- Avoid using damaged or worn components; replace them immediately.
- Be aware of your surroundings and ensure that no unauthorized persons are nearby while reloading.
- Follow all local regulations regarding the reloading of ammunition.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is turned off and unplugged.
- Attach the BenchRest Neck Die to the reloading press by screwing it into the 7/8 inch thread until secure.
- Check that the die is aligned properly with the press.

### 2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for damage.
- Insert the cartridge case into the die, ensuring it is seated correctly.
- Operate the reloading press smoothly to size the cartridge case.
- If using the optional expander or primer ejector pin, follow the manufacturer's instructions for proper installation and use.
- After reloading, carefully remove the cartridge case from the die.

## Disposal Instructions

- Dispose of any unused or expired components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Instead, contact your local waste management facility for proper disposal methods.
- Ensure that all materials are disposed of safely to prevent environmental harm.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the BenchRest Neck Die 303 British, please refer to the manufacturer's contact details provided in the product packaging or manual.

## Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the BenchRest Neck Die 303 British. Always prioritize safety and stay informed about any product recalls or safety alerts through the EU's Safety Gate platform. Thank you for your attention to safety.
