

# Bench-Rest Neck Die 7/8 - Bench-Rest Neck Die 8x64 S

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRest Neck Die 8x64 S Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRest Neck Die 8x64 S. This product is designed for precision reloading of rifle cartridges. To ensure safe and effective use of this die, please read and follow the safety instructions outlined in this guide. Your safety and satisfaction are our top priorities.

## General Safety Guidelines

- Ensure that the BenchRest Neck Die is used solely for its intended purpose of reloading cartridges.
- Always work in a wellventilated area when using the die and handling reloading materials.
- Keep the die and all reloading components out of reach of children and pets.
- Wear appropriate safety gear, including safety glasses and gloves, when handling reloading materials.
- Regularly inspect the die for any signs of wear or damage before use.
- Do not exceed the recommended load specifications for your cartridges.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of injury from sharp edges or moving parts.
  - Risk of explosion or injury from improperly loaded cartridges.
- **Avoiding Hazards:**
  - Always handle the die with care to avoid cuts or injuries from sharp components.
  - Ensure that the cartridge case is properly aligned and securely held during the sizing process.
  - Follow the manufacturer's recommendations for cartridge specifications and reloading practices.
- **AgeSpecific Warnings:**
  - This product is not intended for use by individuals under the age of 18. Adult supervision is recommended for inexperienced users.

## Instructions for Installation and Usage

### 1. Installation:

- Securely attach the BenchRest Neck Die to your reloading press using the provided 7/8 thread.
- Ensure that the die is tightened appropriately to prevent any movement during operation.

### 2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for damage.
- Insert the cartridge case into the guide sleeve of the die.
- Slowly operate the reloading press to size the cartridge case. Ensure that the die is properly aligned to avoid misalignment.
- If using the optional expander or primer ejector pin, follow the manufacturer's instructions for installation and use.
- After reloading, visually inspect each cartridge for proper sizing and integrity before use.

## Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of reloading materials or components in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the BenchRest Neck Die 8x64 S, please refer to the product manual or reach out to the manufacturer for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with the BenchRest Neck Die 8x64 S. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention to these important safety guidelines.
