

# Seater with Crimp 7/8 - Seater with Crimp 5,6x52 R

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seater guides the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# Safety Instruction Guide for Seater with Crimp 7/8

## Introduction

Thank you for choosing the Seater with Crimp 7/8. This product is designed to assist in the accurate seating of bullets while providing the option to crimp the cartridge case. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the work area is clean and free from distractions.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper use may lead to injury or damage to the product.
  - Crimping without proper technique may affect bullet performance.
- **Avoiding Hazards:**
  - Always ensure the bullet is properly seated before crimping.
  - Use the correct seaterhead for the bullet type to improve concentricity.
  - Do not exceed the recommended specifications for the product.
- **Age Restrictions:**
  - This product is intended for use by individuals aged 18 and older.
  - Ensure that younger users are supervised by a responsible adult.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the work area is prepared and free from obstructions.
- Attach the Seater with Crimp to a compatible reloading press.
- Select and install the appropriate seaterhead for the bullet you will be using. Ensure it is securely fastened.

### 2. Usage:

- Place the cartridge case in the press.
- Insert the bullet into the case mouth, ensuring it is properly aligned.
- Engage the press to seat the bullet. Monitor the process closely to ensure proper seating.
- If crimping is desired, adjust the seaterhead to apply the crimp as needed.
- Remove the cartridge from the press and inspect for proper seating and crimping.

### 3. Maintenance:

- Clean the seater regularly to remove debris and residue.
- Store the product in a dry place when not in use to prevent corrosion.

## **Disposal Instructions**

- Dispose of the product and any associated materials in accordance with local regulations.
- Do not dispose of in regular household waste. Check for recycling options or hazardous waste disposal facilities.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

By following these safety instructions, you can ensure a safe and efficient experience with your Seater with Crimp 7/8. Thank you for your attention to these guidelines.
