

Bench-Rest-Seater 7/8 - Bench-Rest-Seater 5,45x39

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

BenchRestSeater Safety Instructions

Introduction

Thank you for choosing the BenchRestSeater. This product is designed for precision in seating match bullets, ensuring optimal performance in your shooting activities. To ensure safe and effective use of the BenchRestSeater, please follow the safety guidelines and instructions outlined in this document.

General Safety Guidelines

- Ensure that the BenchRestSeater is used only for its intended purpose.
- Always wear appropriate safety gear, such as eye protection, when using the product.
- Keep the working area clean and free of obstructions.
- Store the BenchRestSeater in a safe place, out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.

Specific Safety Precautions for Use

- Use the BenchRestSeater only with compatible cartridges as specified in the product manual.
- Ensure that the cartridge case is properly aligned before seating the bullet.
- Do not exceed recommended seating depths or pressures, as this may lead to dangerous situations.
- Be cautious of the bullet runout; improper seating can affect accuracy and safety.
- If you experience any difficulties during the operation, stop using the product and consult the manual or seek assistance.

Instructions for Installation and Usage

Installation

1. **Unpack the Product:** Carefully remove the BenchRestSeater from its packaging.
2. **Check for Components:** Ensure that all parts, including the seaterhead, are included and undamaged.
3. **Attach to Reloading Press:**
 - Securely mount the BenchRestSeater onto your reloading press, ensuring it is stable and properly aligned.
 - Follow the manufacturer's instructions for your specific press model.

Usage

1. **Prepare the Cartridge:**
 - Select the appropriate cartridge case for your reloading needs.
 - Ensure the case is clean and free from any obstructions.
2. **Select the Right SeaterHead:**
 - Choose a seaterhead that is compatible with the bullet you are using. This can significantly improve concentricity.
 - Replace the seaterhead as needed by following the instructions in the product manual.
3. **Seating the Bullet:**
 - Insert the bullet into the cartridge case.
 - Slowly and steadily press the handle of the reloading press to seat the bullet.
 - Monitor the process to ensure proper alignment and prevent any runout.

4. Inspect the Finished Cartridge:

- After seating, inspect the cartridge for proper bullet alignment and depth.
- Discard any cartridges that do not meet your quality standards.

Disposal Instructions

- Dispose of any damaged or worn parts in accordance with local regulations.
- Ensure that all components are disposed of safely to prevent environmental harm.
- If you are unsure about disposal methods, consult your local waste management authority.

Contact Information for Further Support

For any inquiries regarding safety or further assistance, please refer to the product manual or visit the manufacturer's website. Always ensure that you have the latest information regarding safety recalls or updates on the BenchRestSeater.

By following these guidelines, you can ensure a safe and effective experience with your BenchRestSeater. Always prioritize safety and compliance with local regulations while engaging in reloading activities. Thank you for your attention to these important safety instructions.
