

# Bench-Rest-Seater 7/8 - Bench-Rest-Seater 22 Hornet

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater 7/8 BenchRestSeater 22 Hornet Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRestSeater 7/8 BenchRestSeater 22 Hornet. This product is designed to provide you with the highest precision in seating match bullets. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide. Your safety is our priority.

## General Safety Guidelines

- Understand that this product is intended for use with firearms and ammunition. Always treat it with the utmost care.
- Ensure that you are familiar with the laws and regulations regarding firearms and ammunition in your area.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the BenchRestSeater for any signs of wear or damage before use.
- Always wear appropriate safety gear, including eye protection, when using this product.

## Specific Safety Precautions for Use

- Ensure that the BenchRestSeater is used in a wellventilated area to avoid inhalation of any potentially harmful substances.
- Do not exceed the recommended bullet specifications for the seaterhead to prevent malfunctions or accidents.
- Always keep your fingers clear of the seating area when operating the seater to avoid injury.
- If you notice any unusual sounds or resistance during operation, stop immediately and inspect the unit for issues.
- Store the BenchRestSeater in a dry and secure location when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your work surface is stable and clean.
- Attach the BenchRestSeater to your reloading press, ensuring it is securely fastened.
- Choose the appropriate seaterhead based on the bullet specifications. Replace the seaterhead if necessary.

### 2. Usage:

- Prepare your cartridge cases and match bullets according to your reloading specifications.
- Insert the cartridge case into the seater.
- Place the bullet into the cartridge case, ensuring it is properly aligned.
- Slowly and steadily operate the seater to ensure precise seating of the bullet.
- After seating, inspect the cartridge for proper bullet depth and concentricity.

### 3. PostUsage:

- Clean the BenchRestSeater after each use to prevent buildup of residue.
- Store the product in its original packaging or a designated case to protect it from damage.

## **Disposal Instructions**

- Dispose of any damaged or wornout components according to local regulations for hazardous waste.
- Do not dispose of the BenchRestSeater in regular household waste. Instead, check for local recycling programs that accept such products.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the contact information provided in the product manual or packaging. Your safety and satisfaction are important to us.

By following these guidelines, you can ensure a safe and effective experience with your BenchRestSeater 7/8 BenchRestSeater 22 Hornet. Thank you for prioritizing safety!
