

Bench-Rest-Seater 7/8 - Bench-Rest-Seater 243 Win

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

BenchRestSeater 7/8 Safety Instructions

Introduction

Thank you for choosing the BenchRestSeater 7/8 for your precision reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this manual carefully before using the BenchRestSeater to avoid any potential hazards and to enhance your reloading experience.

General Safety Guidelines

- Always handle the BenchRestSeater with care and follow all safety instructions.
- Ensure that the workspace is clean, dry, and free from obstructions.
- Keep the BenchRestSeater out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when using the product.
- Regularly inspect the BenchRestSeater for any signs of wear or damage before use.
- If any part of the product is damaged, do not use it until it has been repaired or replaced.
- Report unsafe products and accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Ensure that the seaterhead is securely attached before each use to prevent accidents.
- Only use the BenchRestSeater with compatible cartridge cases and bullets as specified by the manufacturer.
- Avoid excessive force during the seating operation to prevent damage to the product or injury.
- Do not modify the BenchRestSeater in any way, as alterations can lead to unsafe conditions.
- Always follow the manufacturer's recommendations for the correct seaterhead to improve concentricity and performance.
- Be aware of the potential hazards associated with reloading ammunition, including the risk of fire or explosion if proper procedures are not followed.

Instructions for Installation and Usage

1. Installation:

- Place the BenchRestSeater on a stable, flat surface.
- Ensure that the product is securely anchored to prevent movement during use.
- Attach the appropriate seaterhead according to the bullet specifications.

2. Usage:

- Insert the cartridge case into the BenchRestSeater.
- Align the bullet with the cartridge case and gently lower it into position.
- Apply steady pressure to the seaterhead to seat the bullet into the cartridge case.
- Check for proper seating and concentricity after each operation.
- Remove the completed cartridge and inspect it for any defects before use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the BenchRestSeater is no longer in use, dispose of it responsibly. Consider recycling materials where possible.
- Do not dispose of the product in fire, as it may release harmful substances.

Contact Information for Further Support

For any inquiries regarding the BenchRestSeater, including safety concerns or product support, please contact the manufacturer directly through their official communication channels. Ensure that you have the product details available for quicker assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the BenchRestSeater 7/8. Remember, safety is paramount when handling any reloading equipment. Thank you for your attention to these guidelines, and enjoy your precision reloading!
