

Bench-Rest-Seater 7/8 - Bench-Rest-Seater 6,8mm Rem SPC

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

BenchRestSeater Safety Instructions

Introduction

Thank you for choosing the BenchRestSeater 7/8 and 6.8mm Rem SPC. This product is designed to provide the highest precision in seating match bullets. To ensure safe and effective use, please read this safety instruction guide carefully. It includes essential information regarding safety guidelines, usage precautions, installation instructions, and disposal methods.

General Safety Guidelines

- Product Safety:
 - Always ensure that the BenchRestSeater is used according to the manufacturer's instructions.
 - Inspect the product for any signs of damage before use.
 - Keep the product out of reach of children and vulnerable individuals.
- Enhanced Recalls:
 - Stay informed about product recalls by checking the EU's Safety Gate platform regularly.
- Online Shopping:
 - When purchasing online, ensure that the seller complies with EU safety standards.
- Special Consumer Focus:
 - Take extra precautions if you are inexperienced or if the product will be used by others who may be vulnerable.
- EU Contact Point:
 - For safety inquiries, please refer to your local EU consumer protection agency.
- Rapid Alerts:
 - Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the BenchRestSeater.
- Ensure that the work area is clean, dry, and free of distractions.
- Do not exceed the recommended bullet specifications as outlined in the product manual.
- Use the correct seater head for the bullet being used to enhance concentricity and reduce the risk of bullet runout.
- Avoid using the seater if it appears damaged or malfunctioning.
- Keep hands and other body parts clear of moving parts during operation.
- Do not modify the product in any way, as this may compromise safety and performance.

Instructions for Installation and Usage

1. Installation:

- Ensure the BenchRestSeater is placed on a stable and level surface.

- Secure the BenchRestSeater using the appropriate mounting method as detailed in the product manual.
- Select the correct seater head based on the bullet specifications and attach it to the seaterhead assembly.

2. Usage:

- Insert the cartridge case into the seater, ensuring it is properly aligned.
- Place the bullet on top of the cartridge case.
- Gradually lower the seater head to engage the bullet into the cartridge case, applying steady pressure.
- Monitor the seating process to ensure the bullet is seated correctly and concentricity is maintained.
- Once the bullet is seated, remove the cartridge from the seater and inspect it for proper seating and alignment.

3. PostUsage:

- Clean the BenchRestSeater after each use to maintain performance and safety.
- Store the product in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the BenchRestSeater responsibly according to local regulations.
- If the product is damaged beyond repair, ensure that it is disposed of in an environmentally friendly manner.
- Do not dispose of the product in regular household waste; check for local recycling programs or hazardous waste disposal facilities.

Contact Information for Further Support

For any questions or concerns regarding the BenchRestSeater, please refer to the product manual or consult your local consumer protection agency for guidance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your BenchRestSeater!
