

# Bench-Rest-Seater 7/8 - Bench-Rest-Seater 270 Wea Mag

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater 7/8 BenchRestSeater 270 Wea Mag Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRestSeater 7/8 BenchRestSeater 270 Wea Mag. This product is designed for precise seating of match bullets, ensuring optimal performance and accuracy. To ensure your safety and the safe use of this product, please read and follow the instructions outlined in this guide.

## General Safety Guidelines

- Always handle the BenchRestSeater with care to avoid injury.
- Ensure that the product is used in a wellventilated area.
- Keep the product away from children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- Before use, ensure that the BenchRestSeater is properly assembled and that all components are secure.
- Use only the recommended seaterheads that are compatible with the bullets you are using.
- Avoid excessive force during the seating operation to prevent bullet deformation or damage to the cartridge case.
- Always wear appropriate safety gear, including safety glasses, when using the product.
- Do not exceed the recommended load specifications for the cartridges being used.

## Instructions for Installation and Usage

### 1. Assemble the Product:

- Ensure that all parts are included in the package:
  - BenchRestSeater body
  - Replaceable seaterheads
- Follow the assembly instructions provided in the product manual.

### 2. Select the Correct SeaterHead:

- Choose a seaterhead that is compatible with the bullet type you are using.
- Refer to the manual for guidance on selecting the appropriate seaterhead.

### 3. Seating the Bullet:

- Place the cartridge case into the seating chamber.
- Insert the bullet into the cartridge case.
- Gently lower the seaterhead onto the bullet.
- Apply steady and controlled pressure to seat the bullet into the cartridge case.
- Check for proper bullet runout and concentricity after seating.

### 4. PostUse Care:

- Clean the BenchRestSeater after each use to maintain its performance.
- Store the product in a dry and safe place, away from children.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- When disposing of the BenchRestSeater at the end of its life cycle, follow local guidelines for disposing of nonfood products.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the product manual for the appropriate contact details.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the BenchRestSeater 7/8 BenchRestSeater 270 Wea Mag. Always prioritize safety and refer to this guide whenever necessary. Thank you for your attention and for choosing our product.
