

# Bench-Rest-Seater 7/8 - Bench-Rest-Seater 7,65x53 Arg

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater 7/8 Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRestSeater 7/8. This product is designed for precision seating of match bullets, ensuring optimal performance and accuracy. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the product.

## General Safety Guidelines

- **Product Safety:** Always ensure that the BenchRestSeater is used in accordance with the instructions provided. This product is designed for nonfood use and should be treated with care.
- **Enhanced Recalls:** Stay informed about any recall notices related to the BenchRestSeater. If you receive a recall notice, follow the instructions provided to return or remedy the product.
- **Online Shopping:** If purchased online, ensure that the platform meets all safety requirements. Verify the seller's reputation and return policies.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors and ensure that only trained adults handle the BenchRestSeater.
- **EU Contact Point:** For any safety inquiries or concerns, please reach out to the designated EU contact point for this product.
- **Rapid Alerts:** Be proactive in checking for updates on product safety through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Read the Manual:** Before use, read and understand all instructions in this manual.
- **Inspect the Product:** Before each use, inspect the BenchRestSeater for any damage or wear. Do not use if damaged.
- **Use Properly:** Ensure that the BenchRestSeater is used only for its intended purpose. Do not modify or alter the product in any way.
- **Wear Safety Gear:** When using the BenchRestSeater, it is advisable to wear appropriate safety gear, such as safety glasses and gloves.
- **Avoid Overloading:** Do not exceed recommended limits for bullet types and weights as specified in the manual.
- **Store Safely:** When not in use, store the BenchRestSeater in a safe and dry location, away from children and pets.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that the work surface is stable and clean.
2. Attach the BenchRestSeater to the work surface according to the instructions provided in the manual.
3. Select the appropriate seater head for the bullet type you will be using. Refer to the manual for guidance on compatibility.

- **Usage:**

1. Place the cartridge case into the seating area of the BenchRestSeater.
2. Align the bullet with the cartridge case, ensuring proper positioning.
3. Slowly and carefully lower the seater head to seat the bullet into the cartridge case.
4. Check for proper seating and concentricity. If necessary, repeat the process using a different seater head for improved results.

5. After use, clean the BenchRestSeater to maintain its performance.

## Disposal Instructions

- **Dispose Responsibly:** When the BenchRestSeater reaches the end of its life, dispose of it in accordance with local regulations. Do not dispose of the product in regular household waste.
- **Recycling:** If possible, recycle any components that can be recycled. Check local recycling guidelines for specifics.

## Contact Information for Further Support

For any questions or further assistance regarding the BenchRestSeater, please refer to the designated EU contact point provided with your product. Ensure that you have your product details ready for a smoother inquiry process.

By following these guidelines, you can ensure safe and effective use of your BenchRestSeater 7/8. Thank you for your attention to safety.
