

Bench-Rest-Seater 7/8 - Bench-Rest-Seater 8x65 RS

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

BenchRestSeater 7/8 and 8x65 RS Safety Instruction Guide

Introduction

Thank you for choosing the BenchRestSeater 7/8 and 8x65 RS. This product is designed for precision seating of match bullets and ensuring optimal bullet runout. To ensure your safety and the proper functioning of the product, please read this guide carefully.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of this nonfood product. Follow all instructions to mitigate risks associated with its use.
- **Enhanced Recalls:** Stay informed about any recall notices concerning this product. If a recall occurs, follow the instructions provided for safe return or remedy.
- **Online Shopping:** If purchased online, verify that the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries regarding this product, refer to the designated EU contact point.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on any unsafe products and recalls.

Specific Safety Precautions for Use

- **Read the Manual:** Always read the user manual before operating the BenchRestSeater.
- **Proper Use:** Use the product only for its intended purpose: seating match bullets.
- **Inspect Before Use:** Check the BenchRestSeater for any visible damage or wear before use. Do not use if damaged.
- **Use in a Safe Environment:** Ensure you are in a wellventilated area free from distractions while using the product.
- **Personal Protective Equipment (PPE):** Wear appropriate PPE, such as safety glasses, to protect yourself during use.
- **Handling Bullets:** Handle bullets with care. Follow safe handling practices to avoid injury.
- **Replacement Parts:** Use only manufacturerapproved replacement parts for the seaterhead and other components.

Instructions for Installation and Usage

Installation

1. **Unbox the Product:** Carefully remove the BenchRestSeater from its packaging.
2. **Inspect Components:** Ensure all components are present and undamaged.
3. **Attach the SeaterHead:** Select the appropriate seaterhead for your bullet type. Securely attach the seaterhead to the main unit according to the manufacturer's instructions.

Usage

1. **Prepare the Cartridge Case:** Ensure the cartridge case is clean and free from obstructions.
2. **Insert the Cartridge Case:** Place the cartridge case into the guide sleeve of the BenchRestSeater.
3. **Load the Bullet:** Carefully position the bullet into the cartridge case.
4. **Seating Operation:** Slowly and steadily press down on the seaterhead to seat the bullet. Ensure that the bullet is seated to the desired depth without forcing it.
5. **Check Concentricity:** After seating, check the cartridge for concentricity. Adjust the seaterhead if necessary to improve results.

6. **Repeat as Necessary:** Repeat the process for additional cartridges, ensuring to follow the same precautions.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the product and any associated materials in accordance with local regulations.
- **Recycling:** Where possible, recycle components of the product to minimize environmental impact.
- **Hazardous Materials:** If any components are deemed hazardous, follow local guidelines for safe disposal.

Contact Information for Further Support

For any questions or concerns regarding the BenchRestSeater 7/8 and 8x65 RS, please refer to the manufacturer's contact information provided in the user manual or packaging.
