

Full Length Die 1 1/4 - Full Length Die 7,62x39

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Full Length Die 1 1/4 Full Length Die 7,62x39

Safety Instruction Guide

Introduction

Thank you for choosing the Full Length Die 1 1/4 Full Length Die 7,62x39. This guide provides essential safety instructions to ensure the safe and effective use of the die. Please read this manual carefully before use to understand the potential hazards and the necessary precautions.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the die by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If you purchased this die online, ensure that the platform complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the die.
- Ensure that the die is securely mounted in the press before use to prevent accidents.
- Do not exceed the recommended operating pressures or specifications for the die.
- Regularly inspect the die for any signs of wear or damage. Replace any worn or damaged parts immediately.
- Keep your work area clean and organized to prevent accidents.
- Do not use the die for any purpose other than its intended use.

Instructions for Installation and Usage

1. Installation:

- Ensure the press is turned off and disconnected from any power source before installation.
- Remove any existing dies from the press.
- Insert the Full Length Die into the press and secure it using the lock nut.
- Adjust the die to the desired position and tighten the lock nut to hold it in place.

2. Usage:

- Prepare the cartridge case by ensuring it is clean and free of debris.
- Insert the cartridge case into the die.
- Apply even pressure to push the cartridge case into the die.
- The neck of the case will be calibrated from the inside as it exits the die, ensuring proper neck tension.
- After use, remove the cartridge case from the die and inspect it for any defects.

Disposal Instructions

- Dispose of the die and any replacement parts in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check for local recycling programs for metal products.

Contact Information for Further Support

For further assistance or inquiries regarding the Full Length Die 1 1/4 Full Length Die 7,62x39, please refer to the contact information provided by your retailer or manufacturer. Ensure you have your product details ready for any inquiries.

By following these safety instructions, you can ensure the safe and effective use of your Full Length Die 1 1/4 Full Length Die 7,62x39. Always prioritize safety and do not hesitate to seek assistance if needed.
