

# Bench-Rest Neck Die 1 1/4 - Bench-Rest Neck Die 6x70 R

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRest Neck Die Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRest Neck Die 1 1/4 for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding ammunition reloading and use.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use of the die may lead to accidents or injuries.
  - Risk of bullet runout can affect accuracy; ensure proper setup.
- **Avoiding Hazards:**
  - Always ensure the die is securely mounted before use.
  - Do not attempt to modify or repair the die yourself.
  - Use only compatible components as specified in the product manual.
- **AgeSpecific Warnings:**
  - This product is intended for adult users only. Keep away from children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is clean and free from debris.
- Securely mount the BenchRest Neck Die in your reloading press according to the manufacturer's instructions.
- Adjust the die to the desired height and ensure it is locked in place.

### 2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for damage.
- Insert the case into the die and ensure it is properly aligned.
- Slowly raise the press handle to seat the bullet. Monitor the process to ensure concentricity.
- Replace the seaterhead as needed for different bullet types to improve accuracy.
- After use, clean the die to maintain its performance.

## Disposal Instructions

- Dispose of any damaged or unusable parts in accordance with local regulations.
- Do not throw away the product in regular household waste. Instead, follow local guidelines for hazardous materials if applicable.

## **Contact Information for Further Support**

For any questions regarding safety, usage, or concerns about the BenchRest Neck Die, please refer to the product manual or contact your local dealer.

Thank you for prioritizing safety in your reloading practices.
