

# Bench-Rest Neck Die 1 1/4 - Bench-Rest Neck Die 6mm Dasher

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRest Neck Die 1 1/4 Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRest Neck Die 1 1/4 for your reloading needs. This guide provides essential safety instructions and precautions to ensure the safe and effective use of this product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this manual.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential hazards include sharp edges and moving parts that can cause injury.
- Improper use may lead to misfires or other dangerous situations.

- **Avoiding Hazards:**

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Ensure that your workspace is clean and free of clutter to avoid accidents.
- Do not exceed the recommended specifications for the die to prevent malfunction.
- Never point the die at yourself or others when seating bullets.

- **Age Restrictions:**

- This product is not intended for use by individuals under the age of 18.
- Ensure that all users are trained and knowledgeable about reloading practices.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that your reloading press is compatible with the BenchRest Neck Die 1 1/4.
2. Securely mount the die in the press according to the manufacturer's specifications.
3. Adjust the die to the desired settings for your specific cartridge.

- **Usage:**

1. Prepare your cartridge cases by cleaning and inspecting them for defects.
2. Insert the cartridge case into the die, ensuring proper alignment.
3. Place the bullet into the case mouth and slowly operate the press to seat the bullet.
4. Monitor the seating process for any irregularities or signs of bullet runoff.
5. After use, clean the die to maintain performance and longevity.

## **Disposal Instructions**

- Dispose of any unused or damaged product components in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the BenchRest Neck Die 1 1/4, please refer to the manufacturer's contact information provided in the product manual or on the packaging. Ensure you have the product details ready when seeking assistance.

By following these safety instructions, you can ensure a safe and effective experience with your BenchRest Neck Die 1 1/4. Thank you for prioritizing safety in your reloading practices.
