Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

NO IMAGE  
AVAILABLE

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# Safety Instruction Guide for Seater with Crimp 1 1/4 Seater with Crimp 6,5284 Norma

## Introduction

Thank you for choosing the Seater with Crimp 1 1/4 Seater with Crimp 6,5284 Norma. This product is designed to assist you in the precise seating of bullets while ensuring safety and ease of use. This guide provides important safety instructions, usage guidelines, and contact information for support.

## General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always handle the Seater with Crimp with care to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Use the product only for its intended purpose as specified in this manual.
- In case of any malfunction or accident, report it to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the Seater with Crimp.
- Ensure that the workspace is clean and free from obstructions to avoid accidents.
- Do not exceed the recommended cartridge specifications as outlined in the product manual.
- Avoid using the product if you are under the influence of drugs or alcohol.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the workspace is clean and organized.
- Attach the Seater with Crimp to your reloading press according to the manufacturer's instructions.
- Make sure the product is securely fastened and stable before use.

### 2. Usage:

- Insert the cartridge case into the Seater with Crimp.
- Place the bullet into the case mouth, ensuring proper alignment.
- Use the handle to apply pressure and seat the bullet to the desired depth.
- If crimping is required, adjust the seaterhead according to the instructions provided.
- Regularly check the seating depth and crimp to ensure consistency and safety.

## Disposal Instructions

- Dispose of any waste materials, including used cartridges and packaging, in accordance with local regulations.
- Do not dispose of the Seater with Crimp in regular household waste. Follow local guidelines for the disposal of metal products.

## Contact Information for Further Support

For any inquiries regarding safety, usage instructions, or product support, please reach out to the

manufacturer's customer service team. Ensure you have your product details available for efficient assistance.

By following these safety instructions and guidelines, you will ensure a safer and more efficient reloading experience with the Seater with Crimp 1 1/4 Seater with Crimp 6,5284 Norma. Always prioritize safety and compliance with the EU General Product Safety Regulation.
