Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# Safety Instruction Guide for Seater with Crimp 1 1/4

## Introduction

Thank you for choosing the Seater with Crimp 1 1/4. This product is designed for safely seating bullets in cartridge cases. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always use the product as intended and follow the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Ensure your workspace is clean, dry, and well-lit to avoid accidents.
- If you encounter any issues or have questions, seek assistance before proceeding.

## Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of potential hazards such as sharp edges and moving parts during operation.
- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, such as safety glasses and gloves, when using the product.
- **Avoid Distractions:** Focus on the task at hand and avoid distractions while using the product.
- **Proper Handling:** Handle the product with care to prevent accidental discharge or injury.
- **Crimping Caution:** When using the crimp feature, ensure that the cartridge case is securely held to prevent slippage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your workspace is clean and organized.
- Select the appropriate seaterhead for the bullet you are using.
- Attach the seaterhead to the main body of the seater securely.
- Check that all connections are tight and functioning properly before use.

### 2. Usage:

- Insert the cartridge case into the seater.
- If using the crimp feature, adjust the settings according to your specifications.
- Gently guide the bullet into the cartridge case using the seater.
- Apply even pressure to seat the bullet correctly.
- After seating, inspect the cartridge to ensure proper alignment and crimping.

## Disposal Instructions

- Dispose of any damaged or wornout parts in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or assistance regarding the Seater with Crimp 1 1/4, please refer to the manufacturer's contact information provided with your product. Ensure that you have the product details available when seeking support.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your Seater with Crimp 1 1/4. Always prioritize safety and seek help if needed. Thank you for your attention to these guidelines.
