Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

NO IMAGE  
AVAILABLE

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# Safety Instruction Guide for Seater with Crimp 1 1/4

## Introduction

Thank you for choosing the Seater with Crimp 1 1/4. This product is designed to assist in the precise seating of bullets while providing the option to crimp the cartridge case. To ensure safe and effective use, please read and follow all safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that the workspace is clean and organized to prevent accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating this product.
- Keep out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that no one is in close proximity when operating the seater.
- Do not modify the product in any way that could affect its safety or performance.
- Ensure that the product is used in accordance with the manufacturer's specifications.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Risk of injury from sharp components.
- Risk of improper seating leading to malfunctioning ammunition.

### • How to Avoid Hazards:

- Always handle the product with care.
- Ensure that the bullet is properly aligned in the guide bushing before seating.
- Do not attempt to seat bullets that are not compatible with the seater head.
- Regularly inspect the tool for wear and damage before use.
- Follow all manufacturer guidelines for the specific bullet and cartridge being used.

### • Age Restrictions:

- This product is intended for use by individuals aged 18 years and older. Ensure that minors are supervised by a responsible adult at all times.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the seater is securely mounted to a stable workbench.
- Attach the appropriate seater head for the bullet being used. Follow the manufacturer's instructions for proper attachment.
- Check that the adjustment mechanism is functioning correctly and is set to the desired depth of seating.

### 2. Usage:

- Place the cartridge case in the designated holder.
- Insert the bullet into the guide bushing.
- Slowly pull the handle to seat the bullet. Ensure that the bullet is seated evenly and to the correct

depth.

- If crimping is desired, adjust the seater head to apply the crimp as per your specifications.
- After use, clean the seater to remove any residue or debris.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of ammunition or components in regular household waste. Follow local guidelines for the disposal of hazardous materials.
- Ensure that all packaging materials are recycled where possible.

## Contact Information for Further Support

For any questions or concerns regarding the Seater with Crimp 1 1/4, please refer to the manufacturer's customer support resources. It is important to keep this guide for future reference.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Seater with Crimp 1 1/4. Always prioritize safety and adhere to the guidelines provided for the best results. Thank you for your attention to these important safety measures.
