

Seater with Crimp 1 1/4 - Seater with Crimp 338 Blaser Mag

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for Seater with Crimp 1 1/4 Seater with Crimp 338 Blaser Mag

Introduction

Thank you for choosing the Seater with Crimp 1 1/4 Seater with Crimp 338 Blaser Mag. This product is designed to provide precise bullet seating while ensuring safety during use. Please read this safety instruction guide carefully to understand the proper use, potential hazards, and safety precautions associated with this product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including eye protection, when using this product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local regulations and guidelines regarding reloading and ammunition handling.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The Seater with Crimp may pose risks such as injury from improper handling or misuse.
- Ensure that the workspace is clear of obstructions and distractions.

- **Avoiding Hazards:**

- Do not exceed the manufacturer's recommended specifications for bullet types and cartridge cases.
- Always ensure that the seaterhead is securely attached before use.
- Do not attempt to modify or disassemble the product beyond the manufacturer's guidelines.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals over the age of 18 who are knowledgeable in reloading practices.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is compatible with the Seater with Crimp.
- Securely attach the seater to the reloading press according to the manufacturer's instructions.
- Check that the seaterhead is properly aligned and tightened.

2. Usage:

- Place the cartridge case in the press and ensure it is stable.
- Insert the bullet into the cartridge case, aligning it with the guide bushing.
- Activate the press to seat the bullet. Ensure that the bullet is seated to the desired depth.
- If crimping is desired, follow the specific steps for crimping as outlined in the manual.
- After use, clean the product to maintain its performance and longevity.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the product is no longer usable, dispose of it as per local hazardous waste regulations to prevent environmental harm.

Contact Information for Further Support

For any inquiries or support regarding the Seater with Crimp 1 1/4 Seater with Crimp 338 Blaser Mag, please refer to the manufacturer's website or contact their customer service department.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Seater with Crimp. Thank you for your attention to safety.
